Any goal can be achieved with motivation, guidance and support. My first salute goes to my respected guide Prof.(Dr.) Suresh N. Mali, Principal, Sinhgad Institute of Technology and Science(SITS), Narhe, Pune, who introduced me with wonderful world of watermarking. His unique ideas, logical reasoning, excellent presentations and inspiring words provided enough enthusiasm to achieve predefined goals and objectives. His time to time precious suggestions kept me motivated as active researcher throughout research journey. In real sense, he taught me meaning of PhD (Patience, hard work, Devotion). I express deep sense of gratitude towards him.

I am thankful to Prof.(Dr.) R. K. Jain, Principal Padmashree Dr. D. Y. Patil Institute of Engineering and Technology(DYPIET), Pune for providing all facilities at research center. Prof.(Dr.) A.V. Kulkarni, Dean PG-PhD, Prof.(Dr.) Radhika Menon, Associate Dean PG-PhD, Prof. Pramod Patil, head of computer engineering department, Ph.D coordinators and all faculty members at DYPIET extended their cooperation and support throughout this research work.

I express my sincere thanks to Prof.(Dr.) Sarang Joshi, chairman, board of studies(BOS) of computer engineering in Savitribai Phule Pune University(SPPU) for his valuable guidelines for qualitative research. The Ph.D. expert panel at research center, reviewers of Institute of Electrical and Electronics Engineers(IEEE) transactions, SpringerPlus, Elsevier, Association for Computing Machinery(ACM),
Institution of Engineering and Technology (IET), World Academy of Science, Engineering and Technology (WASET), Computer Society of India (CSI) Communications, other international journals, reviewers of international conferences of Shenzhen, China, Habitat World New Delhi, Goa, Technovation-2014, 11th IEEE Indian International Conference (INDICON) in 2014 and Computer PG-PhD Conference (c-PGCON) organised by BOS of SPPU in 2014 provided valuable suggestions for improvement of the work.

I must thank to management and principal of my parent institute, Amrutvahini Sheti and Shikshan Vikas Sanstha (ASSVS). I am thankful to Honorable Shri Balasaheb Thorat, President of ASSVS, Honorable Dr. Sudhirji Tambe, Trustee of ASSVS, Honorable Shri D. B. Patil, Chief executive of ASSVS and Prof. (Dr.) G. J. Vikhe Patil, Principal, Amrutvahini College of Engineering (AVCOE), Sangamner for believing my strengths, skills, capabilities and providing wholehearted support with appreciations throughout this research journey.

The awards and recognitions from university and professional societies played very supportive role during this research work. I received Academic Excellence National Award-2013 from CSI, Best Teacher Award-2013 from SPPU, Lady Engineer Award-2012 from Institution of Engineers, Active faculty Award-2012 from CSI, Best Paper Award in 11th IEEE international conference, INDICON 2014 and Best Paper Award in international conference Technovation-2014. Thanks to Board of Colleges and University Development (BCUD), SPPU for providing grant of Rs. 2,00,000 for image watermarking based research project which was successfully completed in 2013. I am also thankful to copyright office, government of India for giving copyright to this research work.

My parents, all family members, friends, students, colleagues, whole Amrutvahini family and my beautiful surrounding always encouraged me by various ways. My special thanks go to God for gifting me too much strength, energy, willpower and positive sight to face all the problems along my way.
