

## APPENDIX II

### Questionnaire

Code .....

Please read the following statements and answer them carefully. Completing this questionnaire is part of a research project to investigate the teaching and learning of English at university level in Iran. Your sincere answers will help the researcher to find solutions to problems being experienced in Iranian ELT situation.

Most of the items are concerned with your feelings and interest about the English language and English language study. For the results of this study to be meaningful it is important that you be as accurate and as frank as possible in your answers. There is no right or wrong answers since many people have different opinions. All that is important is that you express your personal feelings.

Note, your answers will be kept confidential and not be seen by anybody else. So, please answer all the questions as freely and openly as possible.

If you have any questions while you are answering this questionnaire, do not hesitate to ask for assistance by raising your hand.
