List of Tables

Table                         Page

2.1  The Break-up of the Sample for the Item Analysis of TES      75

2.2  The Break-up of the Sample for the Test-retest Reliability Coefficient of the TES both from Schools in Thailand and in India. 77

2.3  The Break-up of the Sample for the Validity of the TES            78

2.4  The Detailed Break-up of Sample of Students, Teachers, and Heads of Department  86

2.5  Details of the Standardized Achievement Test                       94

2.6  The Schedule for Actual Process of the Data Collection from the Experimental Group from May to September 1987  96-97

2.7  The Schedule for Actual Process of the Data Collection from the Control Group during June to September 1987   98

3.1  Number of Statements under the Different Categories of the First Draft of the Teacher Effectiveness Scale   133

3.2  Correlations of each Item with sub-category, Item-total Test Correlation, Alpha Coefficient  136-142
with Item-total Test, t-ratios, and ULI on Items of Teacher Effectiveness Scale

3.3 Test-retest Reliability Coefficients of Teacher Effectiveness Scale

3.4 Validity Coefficient of the Teacher Effectiveness Scale

4.A.1 Mean's, SD's, SE's and t-ratios on Pre-test and Post-test Original Scores on Teacher Effectiveness, and Scores on Intelligence and Self-concept of Experimental and Control Groups: Thai language Teachers (Teachers' Ratings on TES)

4.A.2 Mean's, SD's, SE's and t-ratios on Pre-test and Post-test Original Scores on Teacher Effectiveness, and Scores on Intelligence and Self-concept of Experimental and Control Groups: Social studies Teachers (Teachers' Ratings on TES)

4.A.3 Mean's, SD's, SE's, and t-ratios on Pre-test and Post-test Original Scores on Teacher Effectiveness and Scores on Intelligence and Self-concept of Experimental and Control Groups: Science Teachers (Teachers' Ratings on TES)
4.A.4 Mean's, SD's, SE's, and t-ratios on Pre-test and Post-test Original Scores on Teacher Effectiveness and Scores on Intelligence and Self-concept in case of Total Experimental Group (N=36) and Control Group (N=36) (Teachers' Ratings on TES)

4.A.5 Mean's, SD's, SE's and t-ratios on Teacher Effectiveness (Pre-test-Post-test Difference Scores) of Experimental and Control Groups: Thai language Teachers (Teachers' Ratings on TES)

4.A.6 Mean's, SD's, SE's, and t-ratios on Teacher Effectiveness (Pre-test-Post-test Difference Scores) of Experimental and Control Groups: Social studies Teachers (Teachers' Ratings on TES)

4.A.7 Mean's, SD's, SE's, and t-ratios on Teacher Effectiveness (Pre-test-Post-test Difference Scores) of Experimental and Control Groups: Science Teachers (Teacher's Ratings on TES)

4.A.8 Mean's, SD's, SE's, and t-ratios on Teacher Effectiveness (Pre-test-Post-test Difference Scores) in case of Total Experimental Group
4.A.9 Mean's, SD's, SE's, and t-ratios on Fre-test and Post-test Original Scores on Teacher Effectiveness of Experimental and Control Groups: Thai language Teachers (Ratings on TES by the Heads of the Deptt.)

4.A.10 Mean's, SD's, SE's and t-ratios on Pre-test and Post-test Original Scores on Teacher Effectiveness of Experimental and Control Groups: Social studies Teachers (Ratings on TES by the Heads of the Deptt.)

4.A.11 Mean's, SD's, SE's and t-ratios on Pre-test and Post-test Original Scores on Teacher Effectiveness of Experimental and Control Groups: Science Teachers (Rating on TES by the Heads of the Deptt.)

4.A.12 Mean's, SD's, SE's and t-ratios on Pre-test and Post-test Original Scores on Teacher Effectiveness in case of Total Experimental Group (N=36) and Control Group (N=36) (Ratings on TES by the Heads of the Deptt.)

4.A.13 Mean's, SD's, SE's, and t-ratios on Pre-test - Post-test Difference Scores on
Teacher Effectiveness of Experimental and Control Groups: Thai language (Ratings on TES by the Heads of the Deptt.)

4.A.14 Mean's, SD's, SE's, and t-ratios on Pre-test - Post-test Difference Scores on Teacher Effectiveness of Experimental and Control Groups: Social studies (Ratings on TES by the Heads of the Deptt.)

4.A.15 Mean's, SD's, SE's and t-ratios on Pre-test-Post-test Difference Scores on Teacher Effectiveness of Experimental and Control Groups: Science (Ratings on TES by the Heads of the Deptt.)

4.A.16 Mean's, SD's, SE's and t-ratios on Pre-test-Post-test Difference Scores on Teacher Effectiveness in Case of Total Experimental Group (N=36) and Control Group (N=36) (Ratings on TES by the Heads of the Deptt.)

4.B.1 Summary of Analysis of Variance: Pre-test (X) and Post-test (Y) Scores on Teacher Effectiveness (Self-ratings of the Teachers)

4.B.2 Summary of Covariance: Pre-test (X) and Post-test (Y) Difference Scores on Teacher Effectiveness in case of Experimental and
4.B.3 Adjusted Y means (Post-test Scores on Teacher Effectiveness) and t-ratio for Experimental and Control Groups

4.B.4 Summary of Analysis of Variance: Pre-test (X) and Post-test (Y) Scores on Teacher Effectiveness (Ratings by Heads of the Department in All Subjects)

4.B.5 Summary of Analysis of Covariance: Pre-test (X) and Post-test (Y) Difference Scores on Teacher Effectiveness in Case of Experimental and Control Groups

4.B.6 Adjusted Y means (Post-test Scores on Teacher Effectiveness) and t-ratio for Experimental and Control Groups

4.C.1 Summary of 2x2 Analysis of Variance: The Effect of Intelligence and Self-concept on Teacher Effectiveness Combining Thai language, Social studies, and Science Teachers (N=20) in Experimental Group

4.C.2 Summary of 2x2 Analysis of Variance on Teacher Effectiveness in Control Group (N=20)
4.D.1 Comparison between Teachers' and Heads' Ratings on the Pre-test Scores on Teacher Effectiveness of Thai language, Social studies, and Science subject

4.D.2 Comparison between Teachers' and Heads' Ratings on the Post-test Scores on Teacher Effectiveness of Thai language, Social studies, and Science

4.D.3 Comparison between Teachers' and Heads' Ratings on Pre-test - Post-test Difference Scores on Teacher Effectiveness in Each Subject Area of Thai language, Social studies, and Science

4.2.1 Mean's, SD's, SE's, and t-ratios in case of Experimental and Control Groups on Pre-test -Post-test Difference Scores on Thai language, Social studies, Science and Total Achievement Score, at Each Level and All the Levels Combined

4.2.2 Subject-wise Comparison of Pre-test-Post-test Difference Scores on Academic Achievement of Experimental Group of Students at All Levels Combined

4.3.1 Mean's, SD's, SE's and t-ratios on 1st and
2nd, 1st and 3rd, and 2nd and 3rd Class-room Observation of Thai language (Experimental Group, N=12)

4.3.2 Mean's, SD's, SE's, and t-ratios on 1st and 2nd, 1st and 3rd, and 2nd and 3rd Class-room Observation of Social studies (Experimental Group, N=12)

4.3.3 Mean's, SD's, SE's and t-ratios on 1st and 2nd, 1st and 3rd, and 2nd and 3rd Class-room Observation of Science (Experimental Group, N=12)

4.3.4 Mean's, SD's, SE's, and t-ratios on 1st and 2nd, 1st and 3rd, and 2nd and 3rd Class-room Observation of Combined Teachers in Experimental Group (N=36)

4.3.5 Mean's, SD's, SE's, and t-ratio comparing the Thai language (N=12) and Social studies Teachers (N=12) in 1st Observation

4.3.6 Mean's, SD's, SE's, and t-ratios on Scores of Thai language (N=12) and Social studies Teachers (N=12) in 2nd Observation

4.3.7 Mean's, SD's, SE's, and t-ratios on Scores of Thai language (N=12) and Social studies Teachers (N=12) in 3rd Observation
4.3.8 Mean's, SD's, SE's, and t-ratios on Scores of Thai language (N=12) and Science Teachers (N=12) in 1st Observation

4.3.9 Mean's, SD's, SE's, and t-ratios on Scores of Thai language (N=12) and Science Teachers (N=12) in 2nd Observation

4.3.10 Mean's, SD's, SE's, and t-ratios on Scores of Thai language (N=12) and Science Teachers (N=12) in 3rd Observation

4.3.11 Mean's, SD's, SE's, and t-ratios on Scores of Social studies (N=12) and Science Teachers (N=12) in 1st Observation

4.3.12 Mean's, SD's, SE's, and t-ratios on Scores of Social studies (N=12) and Science Teachers (N=12) in 2nd Observation

4.3.13 Mean's, SD's, SE's, and t-ratios on Scores of Social studies (N=12) and Science Teachers (N=12) in 3rd Observation
