13. Even the idea of speaking in public makes me afraid.
14. It is very important to me to have enough friends and social life.
15. I never worry about my looks.
16. I hardly ever get excited or thrilled.
17. My parents have often disapproved of my friends.
18. My home-life was always happy.
19. I often act on the spur of the moment.
20. I seem to do things that I regret more often than other people do.
21. I would rather go without something than ask for a favour.
22. I have had more than my share of things to worry about.
23. I go out of my way to meet trouble rather than try to escape it.
24. When I meet a stranger I often think that he is better than I am.
25. It is pretty easy for people to win arguments with me.
26. Before I do something, I try to consider how my friends will react to it.
27. I keep out of trouble at all costs.
28. I often think about how I look and what impression I am making upon others.
29. I find it easy to drop or break with a friend.
30. It is hard for me to act natural when I am with new people.
31. I have often gone against my parents' wishes.
32. I have never done any drinking.
33. I have been in trouble one or more times on account of my sex behaviour.
34. Most of the time I feel happy.
35. I know who is responsible for most of my troubles.
36. I get pretty discouraged with law when a smart lawyer gets a criminal free.
37. I have used alcohol excessively.
38. People often talk about me behind my back.
39. I have often felt as though I had done something wrong or wicked.
40. I don't think I am quite as happy as others seem to be.
41. I used to steal sometimes when I was a younger.
42. I am somewhat afraid of the dark.
43. I never cared much for going to work.
44. The members of my family were always very close to each other.
I sometimes wanted to run away from home.

With things going on as they are, it is pretty hard to keep up hope amounting to something.

My parents have generally let me make my own decisions.

My home-life was always very pleasant.

6. Does he express his sense of belongingness to the group?

7. Is he duty-conscious?

8. Does he show proper regard for his seniors?

9. Does he use abusive language in his talk?

10. Does he observe the code of conduct of his institute?

Note: 'A' statements are scored 4, 3, 2, 1 and 0 for responses 1 to 5 respectively.

'B' statements are scored 0, 1, 2, 3, and 4 for responses 1 to 5 respectively.
English version of the Attitude Scale
(towards institutionalisation)

1. Name . ........................ Score ........
2. Father's name . .........................

Please evaluate the following statements one by one and put (✓) or 'yes' where you agree and put (x) or 'no' where you disagree. No response will go in your favour or against.

1. The teachers in the reformatory institutes are "Gurus", so they must be respected.
2. I do not see much use of reformatory confinement.
3. School time is the best time of my day in the reformatory institute.
4. Although some of the inmates are incorrigible, but others do gain from the reformatory confinement.
5. The reformatory institutes do more harm than good to the inmates.
6. If given the option, I will not like to attend the school in the reformatory institute.
7. Institutionalisation of the juvenile delinquents is a must for our country.
8. No body seems to bother about me, here, in the reformatory institute.
9. Institutionalisation of the juvenile delinquents is a good idea but the reformatory institutes are not run satisfactorily.

10. The inmates of the reformatory institute are likely to be reformed even if the authorities do not attend to them.

11. Factory hours in the reformatory institute should be increased.

12. I follow the rules of the reformatory institute because authorities keep a watch on me.

13. The reformatory institutes are the only agencies for the reformation of the young delinquents.

14. So long as we are in the reformatory institute we must love each other.

15. It is the duty of every inmate to co-operate with the authorities of the reformatory institute.

16. Factories of the reformatory institutes should be made more attractive.

17. Reformatory education has little impact on the inmates of reformatory institutes.

18. I am happy when I don't have to attend the factory of the reformatory institute.

19. After my release from the reformatory institute I will adopt the profession for which I am being trained.
20. If it is possible, I would like to leave the reformatory institute and go to an ordinary jail.

Note: The attitude score of the subject is obtained by adding the scale values of the statements ticked as (\_] and then dividing the total with number of statements responded in this manner.
