ACKNOWLEDGEMENT

Firstly, I would like to express my sincere gratitude to my research guide respected Dr. M. Razaullah Khan for giving me an opportunity to complete Ph.D study under his kind guidance. I thank him for his continuous support, patience, motivation, enthusiasm, and immense knowledge. His guidance helped me to understand and complete the research study. I could not have imagined having a better advisor and mentor for my Ph.D study.

The entire process of research study wouldn’t have been possible without the support of my research guide Dr. M. Razaullah Khan. During this period I learned many things about the research and specially how to conduct the study in step by step manner. My gratitude goes to him for his continues guidance, support, follow ups, making correction in the notes, chapters, etc. Only because of his consistent encouragement I could complete the research study under his guidance.

During the Ph.D study I have had the fortune to come across so many people whose suggestions, experiences and knowledge have helped me to explore good practices which are required for the research study.

I would like to give heartfelt and special thanks to Dr. S.A. Mannan, Dr. I.M. Farooque and the faculty members of Maulana Azad College, Aurangabad. They have been motivating, encouraging and supportive during the entire Ph.D study.

I would extend my gratitude to MGM Institute of Management, Aurangabad for motivating for Ph.D study and allowing for taking active participation in the research workshops, paper presentation in conferences and other technical support at institute level.

I want to thank Department of Management Science, PHD Unit, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad and all the selected MCA institutes as sample units for their valuable support and co-ordination.

I would like to extend my gratitude to all those researchers, authors, academicians whose books, research journals, articles, etc helped me a lot in this research study.
Their literature has given me ideas, knowledge and understanding of the concepts in a systematic method.

I am indebted to my parents and all family members for their continues backing and kind support.

At the end I give my sincere thanks to all my friends, colleagues for their valuable suggestions and kind help in the completion of this research work.
