CHAPTER VI

Studies on Formulation and Evaluation of Floating Tablets of Pioglitazone

Experimental 92
Results and Discussion 132
References 137

CHAPTER VII

Pharmacokinetic Evaluation of Pioglitazone Floating Tablets formulated Employing Olibanum, Cross-linked Starch Urea and HPMC K15M

Experimental 138
Determination of Pharmacokinetic Parameters 140
Results and Discussion 148
References 149

CHAPTER VIII

Stability Studies on Selected Floating Tablets of Pioglitazone Formulated

Experimental 150
Results and Discussion 161

CHAPTER IX

Summary and Conclusions 162
Significant Contributions and Recommendation 168
