ACKNOWLEDGEMENTS

At the very outset, I am profoundly grateful and immensely indebted to my esteemed teacher and guide Prof. Jitendra Mohan, Deptt. of Psychology, Panjab University, Chandigarh, for his extremely valuable guidance without which the present investigation would not have been a reality. His affectionate concern, task oriented and keen professional approach, thought provoking ideas, and sharp academic perspectives were so broad and deep that helped me a great deal in unraveling both artistic and scientific threads of the present endeavour.

I am extremely thankful to Dr. C.M. Muthiah, Executive Director, Sports Authority of India, Netaji Subhas National Institute of Sports, Patiala, for permitting me to take up my doctoral work. His remarkable support always helped me to go ahead in this enduring task.

I am also grateful to Dr. D.N. Mathur, Dean, Faculty of Sports Sciences, SAI NSNIS, Patiala, and Dr. M.L. Kamlesh, Principal, Lakshmibai National College of Physical Education, Trivandrum, for being constant sources of inspiration during this study.

My thanks are also due to Shri Bhupinder Singh, Coach, attached to the Deptt. of Sports Psychology, SAI NSNIS, Patiala, for his affectionate help during the data collection.

I am very grateful to Dr. V.V. Upmanyu, Chairman, Deptt. of Psychology, Panjab University, Chandigarh, for rendering to me his insightful suggestions and administrative support in the entire process of my work. His unassuming nature always allowed me to have a free access to him for various consultations pertaining to the statistical aspects of the study.
My sincere thanks to Dr. Meena Sehgal and Dr. Anuradha Bhandari, Deptt. of Psychology, Panjab University, Chandigarh, for their critical comments for improving the methodology of the study.

My thanks are also due to Dr. C.M. Bahl and Mr. Anil Dhawan of the Computer Centre, Panjab University, Chandigarh, for their timely help in planning and computations of the data of the study respectively.

My special thanks to Mr. T.J. Sebastian, Lecturer, St. Peter's Academy, Patiala, for checking the linguistic aspect of the manuscript and Mr. Samuel Masih, SAI NSNIS, Patiala, for typing the thesis with utmost clarity.

I am also thankful to all the coaches and trainees of the Netaji Subhas National Institute of Sports, Patiala, who took active part in the present investigation.

I also gratefully acknowledge Dr. R.N. Singer, Dr. B.J. Cratty, Dr. Kenneth Ravizza (USA), Dr. Vladimir Medvedev and Dr. G. Gorbunov (USSR), Dr. Hans Schellenberger (GDR), Dr. G. Konzag (FRG), and Dr. M. Nemessuri (Hungary), for their enlightening personal discussions which helped me in various conceptualizations related to the present study.

I will be absolutely failing in my duty if I do not express my unwordable gratefulness to my wife, Manoranjini Khan, whose meticulous professional help, constant encouragements, emotional support, and undeterred patience contributed greatly in sustaining my efforts for bringing this piece of work to its present shape. My two little children and cousin sister deserve my special thanks for their silent contributions.
