ACKNOWLEDGEMENTS

I am highly blessed and fortunate that I got an opportunity to pursue this arduous research work under the able supervision of Dr. Latika Sharma, Assistant Professor, Department of Education, Panjab University, Chandigarh. I express my sincere gratitude to her for her inspiring guidance, constant supervision and stimulating discussions throughout the investigation. Her encouragement and valuable suggestions proved an immense help to me in completing this study.

Acknowledgement of deep appreciation and gratitude is extended to the former Chairpersons Prof. S.C. Gakhar and Prof. Raj K. Gupta and the current Chairperson of the Department of Education, Panjab University, Chandigarh, Prof. (Mrs.) Malwinder Ahuja for providing all cooperation and facilities required for conducting this investigation.

I am deeply grateful to Prof. J. M. Jerath (Retd. from Department of Psychology), Panjab University, Chandigarh, who cheerfully provided time and guidance for statistical analyses of the data. I have learnt a lot about being a true teacher from him along with some insight into the use of statistics in educational research.

I am also sincerely thankful to the authorities of the schools of Chandigarh for their generous cooperation which has enabled me to finish the research work. I am grateful to my employers and colleagues at Rayat College of Education, Railmajra for providing timely help as and when required.

I express my gratitude to the authors and educationists whose works have been consulted freely with timely assistance from Mrs. Devi, the Library incharge at Department of Education and librarians in the A.C. Joshi Library of Panjab University, Chandigarh.

I owe my deep reverence, unforgettable and unfailing respect to my family members, especially to my parents, my husband, younger sister Madhvi and my masi ji, Mrs. Chanderkanta, who have always been a source of
inspiration and help to me and who gave me roots of responsibility and wings of independence.

Last but not the least I wish to express my heartfelt thanks to my angelic son Kabir who arrived in this world during the Ph.D. work and whose love and innumerable sacrifices led to the successful completion of this study.

I also owe a lot to many others who helped me directly or indirectly in completing this research work.
