I take this opportunity to express my deep sense of gratitude to my supervisor Dr. R.C. Sobti, Chairman, Department of Biotechnology, Panjab University, Chandigarh for his constant encouragement, guidance and all possible support, all through my research.

I also express my gratitude and whole hearted thanks to Dr. Anil Sood, Scientist and Head, Division of Biotechnology, Institute of Himalayan Bioresource Technology (CSIR), Palampur, Himachal Pradesh and Dr. P.S. Ahuja, Director, Institute of Himalayan Bioresource Technology, Palampur, for always taking keen interest in my work, and for being a strong guiding force.

I am grateful to Dr. P.K. Nagar, Dr. Madhu Sharma, Dr. Amita Bhattacharyya, Dr. Subedar Pandey, Dr. Ashu Gulati and Mr. Om Prakash for constant interaction on various research matters, consequently, giving refinement and quality to the research work.

I am extremely grateful to Mr. P.V.M. Rao for his kind co-operation in all photography matters all through my research work. The kind co-operation of Mr. Mukhtiar Singh, and his library staff, is also duly acknowledged.

I also thank all my labmates Dr. Pratap K. Pati, Miss. Uksha Saini (my adorable rakhi sister), Miss. Sonia Malik, Mrs. Anjana Kumari, Dr. (Mrs.) Viveka Rathore, Dr. Shashi Bhushan, Mr. Sanjeev Sharma, Miss. Savita Godbole, Miss. Indra Sandal, Mrs. Navtej Kaur, and the technical and supporting staff of the lab. Surender, Kailash, Praveen, Sanjay, and Sanjeev Bhagat for a lively and supporting atmosphere in the laboratory.

The acknowledgement shall remain incomplete if I fail to acknowledge the constant support received from The Administration, The Finance and Accounts Section and The Stores and Purchase Section, The Instrumentation Section, The ESU, The Power Section of IIHB, which has facilitated smooth progress of my research work through all stages. They all deserve to be named, but for the space constraint. My special thanks to all of them.

Words are inadequate to express my thanks to my parents, all dear family members and my fiancé, for their love, inspiration, understanding, patience and moral support, they have provided to keep me going all the while.

I gratefully acknowledge the necessary research fellowship granted to me by The Council of Scientific & Industrial Research (Govt. of India).

Finally, I am grateful to the Almighty for providing me the support of all the above.
