

ACKNOWLEDGMENTS

It gives me profound pleasure to record my deepest gratitude to my esteemed teacher and supervisor, Dr.(Mrs) Harvinder Kaur Cheema, Reader, Department of Botany, Panjab University, Chandigarh, for her valuable suggestions, able guidance, encouragement and constructive criticism which inspired and enabled me to complete this manuscript.

It gives me immense pleasure to express my very sincere thanks to Prof. K. K. Dhir, Chairman, Department of Botany, Panjab University, Chandigarh, for his generous help rendered to me from time to time.

I am thankful to my friend Ms. Manraj Kaur and lab mates for their co-operation.

I am deeply indebted to Mrs. & Dr. P. K. Sharma whose inspiration encouraged me in the accomplishment of this work.

I record my heartiest thanks to my sisters Mrs. Shashi, Mrs. Chetna and brother Mr. Sharad for their encouragement and plaudit affection.

My intellect and soul fails me while expressing my true regards and emotions to my parents to whose love, affection, inspiration and encouragement, I owe all my achievements.
