ACKNOWLEDGEMENTS

On the completion of this long and enlightening voyage with the Grace of Almighty. I sincerely feel like thanking all those who guided, motivated and helped me throughout.

I consider it a great privilege to have worked under the guidance of Dr. Meena Sehgal, Reader, Department of Psychology, who with her inspiring brilliance, profound knowledge and admirable dedication to the subject provided an academic direction to this project. I shall never forget the encouragement, zest, emotional support and benevolent guidance provided by her, without which it would not have been possible to complete this arduous task.

I am thankful to Professor Jitendra Mohan, whose scholarly interest and encouraging attitude, with vast expertise and experience was a great source of inspiration for me.

I am thankful to the Chairperson, Department of Psychology, Panjab University, Chandigarh for providing the necessary facilities. I would also like to record my gratitude to Mr. C.M. Behl and his colleagues in the Department of Computer Sciences for their assistance in the computation work.

I immensely appreciate the facilities extended to me by the Library staff of Post Graduate Institute of Medical Education and Research, Chandigarh (PGIMER); Panjab University, Chandigarh; National Medical Library, New Delhi; British Council Library, New Delhi; and American Library, New Delhi. I would also like to thank the Principals and Teachers of various schools from where the data collection was carried out.
Let me also convey my thanks to Dr. Sunil Mittal, Director, and Dr. Manish Kansal, Practicing Psychiatrist and other colleagues at, Delhi Psychiatry Centre, who helped and motivated me to accomplish this task.

I have no words to express my gratitude to my loving and understanding husband “Ashish”, who throughout this period encouraged and supported me to move on inspite of the various hurdles that came in the way.

My loving thanks to my adorable son “Aashrit” whose sweet smiles always delighted and strengthened me.

I owe a great debt to all my family members; my parent in-laws, Mr. I.C. Ganda and Mrs. Raj Ganda, for cheerfully bearing my continuous absence from home; my father, Mr. H. S. Kohli, and my mother, Mrs. Inderjit Kohli, who motivated me to initiate this research work; my brothers and sister-in-laws for their support and cooperation.

My sincere and heartfelt thanks to all my friends, especially Mr. K. S. Nesamani for their continuous help and encouragement.
