Acknowledgements.............................................. ... 
List of Tables.................................................. ...
List of Figures...................................................

CHAPTER I : INTRODUCTION...................................... 1 - 14
Need of Education and Training of Parents... 8 - 13
Objectives...................................................... 13 - 14

CHAPTER II : THEORETICAL BACKGROUND.................... 15 - 34
Mental Retardation............................................ 16 - 18
Classification.................................................. 18 - 20
Classification on the basis of etiology........... 20
Behavioural classification............................... 20
Etiology of Mental Retardation.......................... 21
Prevalence of Mental Retardation...................... 23
Prevention of Mental Retardation....................... 25
Intervention Programmes.................................. 26
New Trends in Intervention............................... 27
Portage Home Training Project......................... 28
Motor Development.......................................... 29
Characteristics of Motor Development................ 30
Delayed Motor Development............................... 32
Conditions that Influence the Rate of Motor Development 33

Effect of Early Intervention Programme/Training on Parents' Attitude Towards their Mentally Retarded Children

CHAPTER IV: METHOD OF PROCEDURE
- Statement of Problem
- Operational Definitions
- Design of the Study
- Sample
- Criteria for eligibility
- Hypotheses
- Tools Employed
- Short Description of tools
- Procedure For Data Collection

CHAPTER V: ANALYSIS AND INTERPRETATION OF RESULTS
- Description, Evaluation of Home Teaching Programme
- Discussion of Results

CHAPTER VI: RESULTS OF DISCUSSION
- Hypothesis I
- Discussion of Results
- Hypothesis II
- Discussion of Results
- Hypothesis III
- Discussion of results
- Hypothesis IV
- Discussion of Results
CHAPTER VII : PROBLEM FACED BY THE INVESTIGATOR ... 279 - 284

Problem Faced in Locating MR children of SES_H (High Socio Economic Status) ... 280

Problem Faced During the Identification of MR Children of SES_L (Low Socio Economic Status) Families ... 281

Problem Faced During Administration of Tests to MR children of Low socio Economic Status (SES_L) Families ... 282

Problem Faced During Training of MR Children of SES_H ... 283

Problem Faced During Training of MR Children of SES_L ... 283

Problem Faced During Training of MR Children of Model II i.e. Trained by Parents ... 283 - 284

CHAPTER VII : CASE STUDIES OF THE SUBJECTS ... 285 - 309

Summary and Conclusions ... 310 - 320

BIBLIOGRAPHY ... 321 - 338
