Acknowledgement

I evince my profound sense of reverence and everlasting gratitude for my supervisor, Prof. RC Sobti, Department of Biotechnology for his sagacious guidance, unstinted support, constructive counsel and generosity throughout the course of this study.

I am grateful to my supervisor, Dr. BP Mishra, Senior Scientist, DNA Fingerprinting Unit, NBAGR, Karnal for his critical guidance, creative ideas and healthy encouragement for successful completion of this study.

I take it as my pleasure to thank Dr. SPS Ahlawat, Ex-Director, NBAGR, Karnal for supervising this work, ingenious advice, unended benevolence and all necessary support during the present work.

I owe my sincere thanks to Dr. MS Tantia, Senior Scientist, NBAGR, for providing genotyping facility, an important ingredient in this study.

I am highly grateful to my respected seniors, Dr S Bhatia, Principal Scientist, NBAGR, Dr B Prakash, Principal Scientist, NBAGR and Dr. R S Kataria, Senior Scientist, NBAGR for their kind affection and encouragement.

Sincere thanks are due to Dr. PK Viz, Senior Scientist and Dr. RK Vijh, Incharge, AG division for their kind help.

I wish to thank Dr. Vijaya Laxmi, Reader, Panjab University, Chandigarh for her encouragement and help.

I am thankful to Smt. Parvesh for her ever-helping attitude. I am also thankful to Mr Karn and Mr RamaKant for their assistance. I am immensely thankful to Sh. Harvinder Singh and Sh. Sanjay Kumar for their co-operation. My thanks are due to Dr. Beena Mishra and Sh. Bharni Kumar for their timely help.

I would like to thank the staff of Biotechnology Department, Panjab University for providing administrative and technical help during the course of this work. I acknowledge all the affection and co-operation received from Mr. Jagmohan and Ms. Mamtesh, PhD scholars at Panjab University, Chandigarh.

I remain indebted to my parents, in-laws and all my family members for their sincere wishes and blessings who always showered their love and affection.
Most importantly, I would like to thank my husband Dr. M Muk and my kids who always stood by me. It is their selfless sacrifice that made me see the light of this auspicious day. Their love and care were constant source of energy and inspiration for me.

I would like to thank Indian Council of Agriculture Research (ICAR) New Delhi for permitting me to pursue this work for acquiring the higher degree.

Monika Sodhi
