OBJECTIVES:

All persons are not equal. Every person has some characteristics which differentiate him from others. These characteristics form the basis of different nature of persons. Here are some questions regarding the characteristics. You might have these qualities in varying quantities. I want to know how these qualities affect different aspects of your life. The success of this objective depends on your cooperation. I assures you that your answers would be kept secret. I request you to answer unhesitatingly.

INSTRUCTIONS:

On the following pages there are some questions and their probable answers given against them. You read them carefully and whichever suits, you, put a tick ( ) in the blank space given against it.
