ACKNOWLEDGEMENTS

It is my proud privilege to acknowledge my sincere gratitude for the guidance, valuable advice and constant encouragement to me by my Guide Dr. N.S. Mann, Reader Physical Education deptt. Panjab University, Chandigarh and Dr. Hardayal Singh, Senior Scientific Officer. SAI NS NIS, Patiala. Without their help and advice this thesis would still be an idea rather than a reality.

I sincerely thanks Dr. S.S. Chawla, Late Shri A.K. Walia, Dr. S.C. Negi, Shri K.S. Sandhu and Mr. R. Kalidasan of G.T.M.T. Department, SAI, NSNIS, Patiala for their help in data collection and statistical analysis. I wish to thank the National athletes who acted as subjects for this study and without their cooperation it was impossible to complete this study.

My thanks are due to M/s. Simran Computer for their kind help in giving a final shape to this thesis.

Finally, I must record my thanks to my family for their help and constant encouragement in all respects throughout this study.

Simarjeet Singh
