ACKNOWLEDGEMENTS

Many people made contribution in completion this research work and I must acknowledge the contributions of everyone.

Words may not express my reverence, my feelings and my sense of gratitude to my supervisor Dr. (Mrs.) Nirmaljit Kaur Rathee, Reader, Department of Physical Education, Panjab University, Chandigarh, who has been a constant source of help while conducting this study. She is even my most helpful critic and has been credibility helpful to me and patient with my shortcomings. I am incalculably indebted for her goal-oriented encouragement, invaluable guidance, untiring and inspiring supervision, and critical assessment. She is a strong source of motivation for me.

I regard it as my solemn duty to thank Mr. J.P. Sharma, Chairman, Department of Physical Education, Panjab University Chandigarh and other faculty members of the department who helped me in accomplishing this research work successfully.

I deeply acknowledge my indebtedness to Mr. Uttam Chand, Librarian, Department of Physical Education, Panjab University and Dr. Harmeet Singh, Senior Technical Officer of this department who have always been a source of help and encouragement for making this study successful.

I wish to express my gratitude to my mother for her constant inspiration to get things done and her pride in my accomplishment, which has been a source of strong motivation for me. A sense of deep gratitude I hold for my dear and respected father whose confidence in me, irrespective of the fact what I do, has been a constant source of encouragement to me. To my brother and sisters I owe a great deal for they shared my hardships by providing warmth and support.
Words elude me to express my sincere gratitude and thanks to the incredible person, my dear and respected husband Mr. Suresh and my son Vedansh for providing not only emotional support to endure the hardships that came in my way while completing the work but also for his invaluable and persistent contribution to improve the quality of the manuscript. He is the main source of motivation and encouraged me for completing this research work successfully.

I want to thanks my most helpful person Mrs. Satwant Kaur, my Aunti, who help me a lot to complete this research work. Without her support I would not have been able to do this work successfully. She gave me her full contribution to complete my research work and helped me at each and every step during my research.

I want to convey my specially thanks to my brothers Gurpreet Singh, Happy and my sister Kamaldeep Kaur as without their help and support I could not have completed my research project.

My special thanks to Mr. Bachani, Senior Basketball Coach of Dehradun (Uttaranchal Pradesh) who was the main source for collection of the data and completion of my experimental research work.

I am grateful to the Principals and Coaches of Doon School, Hopetown School, Welhem’s Girls School and St. Joseph School, Dehradun where I carried out my experiment and collected the data. I want to thank the students of the related schools and basketball players who generously co-operated with me for the collection of data inspite of their hectic schedule.
