ACKNOWLEDGMENT

It is with great pleasure that I express my gratitude towards my supervisors, Prof. Goverdhan L. Kad, Dr. Jasvinder S. Brar, Scientist B, Department of Chemistry, Panjab University, Chandigarh and I am especially indebted to Dr. Vashundhara Singh, Assistant Professor, Department of Applied Sciences, Panjab Engineering College, Chandigarh in assisting and guiding me throughout the tenure of my research work.

I am also grateful to Prof. R. Kapoor and Prof. D. S. Gill, former chairman and Prof M. L. Sharma, Chairman, Department of Chemistry, Panjab University, Chandigarh, for providing me the requisite infrastructure and laboratory facility.

To my husband Harpreet, whose bounteous support and assertiveness has brought about the completion of this work.

Words are inadequate to reflect the extent of my feelings for my parents whose pertinacious determination and assertiveness at various stages of my life has brought me where I am today. A special gratitude is expressed for my parent-in-laws for their incessant moral support.

To Dimpy, Pupal and Simmi, for their moral boosting attitude. The kind cooperation of my colleagues and friends cannot be expressed in words. I thank them all.

All these appreciations would be incomplete without a very special thanks to my bundle of joy, my son Anhat.

Financial assistance provided by CSIR, New Delhi is gratefully acknowledged.
