Acknowledgements

All great or little achievements speak of silent and yet predominant forces at their back and no one can claim fulfillment of one’s aim in isolation. I take this opportunity to reserve my indebtedness, for all the help received in accomplishment of this work to all such forces natural and supernatural.

Indeed the words at my command are inadequate in form and spirit to express my feelings of extreme regard and sincere gratitude to my esteemed teacher and elite guide Dr. Sucheta Pathania, for her dexterous supervision, constructive criticism, invaluable suggestions, constant inspiration and untiring guidance coupled with encouragement which has consequently lead to the present work to its entire successful accomplishment.

I extend my sincerest and heartiest gratitude to Prof. Satnam Kour, Head Department of English, Prof. Posh Charak, Prof. Deepsheekha Kotwal, Dr. Monika Sethi, Dr. Sadaf Shah, Dr. Garima Gupta and Dr. Ravinder Singh for their valuable guidance, support and cooperation during my tenure as student and scholar in the Department of English, University of Jammu.

I also acknowledge with heartfelt gratitude all the non-teaching staff members of the department especially Mrs. Anuradha Sharma, Assistant Librarian for her constant help throughout the period of study.

My debt of gratitude is also due to the library staff of Jawaharlal Nehru Library, University of Mumbai for permitting me to consult the library records and for the active cooperation in search of relevant study material from books, journals and published research works.
I am also grateful to all authors and publishers from whom I had the audacity of quoting references.

Words fall short to acknowledge my friends and well wishers for their moral support, cooperation, and extending ever helping hand during this compilation.

Words can hardly express the profound sense of gratitude, I owe to my beloved parents Sh. Yougender Kumar Sharma and Smt. Meena Sharma for their blessings, care, love, patience, cooperation, and moral support. I would also like to thank my sister Mrs Meenakshal Sharma, my brother-in-law Mr. Abhishek Khajuria, my aunt Prof. (Retd.) Indira Rathore, and my mother-in-law Smt. Usha Kiran Sharma for their constant inspiration, encouragement, and support.

This thesis would not have seen the light of the day without the encouragement, motivation, patience, love, and able help of my better half Mr. Nishesh Magotra who remained and kept me optimistic throughout in the process of present research. I also thank my loving daughter Nebesa for bringing me cheer in life and sparing me in early days of her life for completing this project.

Infact, it came true by the grace of Almighty in whose competence lays everything. I bow before Him for His blessings.
