Acknowledgements

I owe a debt inexpressible in words for the help extended to me by my parents Mr. & Mrs. Wahi in completing my thesis.

I am deeply indebted to the librarians of British Councils in Bombay, Calcutta, Delhi, Hyderabad, Osmania University, Hyderabad, Delhi University, Delhi, American Centre Library, New Delhi, Asiatic Society, Bombay, Punjab University Extension Library, Ludhiana, H.M.V. College and D.A.V College Library, Jalandhar, Punjabi University, St. Stephens Library, Delhi and last but not least, Punjab University Library, Chandigarh. The Co-operation and help extended by Mrs. Manorma Arora, Principal, Vidya Mandir Senior Secondary School, Faridabad, my well wishers and relatives, has enabled the timely completion of my thesis.

I owe more than I can say to my husband Anil Uppal, who in my moments of loneliness, mental anxiety over the research complexities and personal crisis, has turned to gather moral stimulus. His limitless magnanimity and sympathetic concern and timely help instilled self confidence in me and enabled me to complete this work.

I deem it to be my crucial responsibility to offer my deep gratitude to Dr. D.C. Saxena, Reader, English Department, Punjab University, Chandigarh for his scholarly inspiration, consistent critical suggestions, constant encouragement, without which it would not have been possible to complete my thesis.
