ACKNOWLEDGEMENTS

My Ph.D research work is my part of life and a little journey into scientific research world. I have travelled joyfully in this journey with many people’s words of encouragement and intellectual inputs. The following lines are the acknowledgements to those beautiful minds for their love and mercy they showered on me. With immense gratitude, I take this opportunity to express my foremost and sincere thanks to my mentor, Dr. S. Kannan, Central Salt and Marine Chemicals Research Institute (CSMCRI-CSIR) for scholarly and infallible guidance, dynamic inspiration, invaluable suggestions and keen interest in this work has led me in successful accomplishment of this research endeavor. In fact, I feel privileged to have him as a supervisor who has inspired me to do research in the interdisciplinary area. I am also extremely grateful to him for his advice, motivation and for the freedom he gave me. Finally, I dedicate all my success of these five years to this wonderful person, for which he is solely responsible for.

I would like to express my word of thanks to Dr. P. K. Ghosh, Director, CSMCRI, Bhavnagar, Gujarat, for encouraging project assistants for pursuing Ph.D and providing infrastructure to carry out my research work.

I would like to express my sincere gratitude to Dr. H. C. Bajaj, Discipline Coordinator, Discipline of Inorganic Materials and Catalysis, CSMCRI for his continuous support throughout my work.

I am greatly indebted to my collaborators Prof. P. V. Kamath, Department of Chemistry, Central College Bangalore University, Bangalore, India, for introducing me DIFFaX and providing me training in Bangalore university, Prof. V. Rives, GIR-QUESCAT, Departamento de Quimica Inorganica, Universidad de Salamanca, E-37008 Salamanca, Spain, for scientific discussions and analysis and Dr. C. S. Gopinath, National Chemical Laboratory, Pune, for XPS measurements.

I express my sincere thanks to Dr. D. N. Srivastava, Analytical Science Discipline, CSMCRI for TEM, STEM-EDAX and electrochemical measurements Dr. P. S. Subramanian, Analytical Science Discipline, CSMCRI and Dr. C. R. K. Reddy, Marine Biotechnology and Ecology, CSMCRI for words of encouragement.
I am also great full to Dr. R. S. Somani, Dr. R. S. Shukla, Dr. S. D. Bhatt, Dr. H. M. Mody, Dr. A. B. Panda, Dr. S. H. R. Abdi, Dr. (Mrs.) R. I. Kureshy, Dr. N. H. Khan, Dr. (Mrs.) Beena Tyagi, Dr. Juggnu Bhatt, Dr. A. B. Boricha and Dr. R. J. Tayade for all the support they provided in due course of my work.

I place my special thanks to Mr. P. G. M. Pillai, Mr. J. M. Parmar, Mr. B. B. Parmar and Mr. A. H. Lakhani for their help in procuring chemicals, gas cylinders and all other necessary items required for successful completion of my work.

I place my warmest of regards to Jinesh C. M for his continuous encouragement and support throughout my research life in CSMCRI.

Special thanks to my teammates Koilraj, Sivashunmugam, Sampath, Rakesh, Mohini, Lishil, Deepsingh, Palaniappan and Ankita for their unconditional help and motivation during this period.

My special thanks to Young Scientists Dr. P. Lakshminarayanan, I. Ravikumar and M. Suresh for their encouragement.

My heartfelt thanks to my roommates Dr. Mosae, Dr. Subrata, Kannan and Jeyaprathap and to friends Gangadharan, Murugan, Munusamy, Thillai, S. Saravanan, K. Saravanan, Kalidasan, Boopathi, Michael, Prakash, Kruthika and Vijay Anand for their help and support.

Special thanks to my lab mates Krishnamohan, Mallikarjun, Sumit, Pravin, Sandesh, and Nilesh for their help and support.

I would like to thank all my colleagues Prasanth, Aasif, Manu, Sudheesh, Govind, Kunal, Dangi, Phani, Basha, Ghanshyam, Radheshyam, Bhavesh, Praful, Aadarsh, Naveen, Narottam, Apurba, Sandip, Provas, Dinesh, Manoj C. Raj, Nirali, Arpan, Manish, Arghya, Balchand, Anjan, Prashanta, Tamal, Subbarao, Nabin and Amit of DIMC family for all the support they extended to me in attaining my goal.

My sincere thanks to all my friends and well wishers Dr. Prasenjit, Dr. Amilan Jose, Dr. Krishnakumar, Dr. Gnanaprakasam, Dr. Ganeshan, Dr. Srinivasan, Dr. Renjith, Dr. Munir, Dr. Vishal, Dr. Santhosh, Dr. Sumeet, Dr. Pravin Surolia and Dr. Amrita for their unconditional help offered during my research work.

My sincere thanks to all my friends Teji, Yogesh, Kunal, Rathish, Srinivas, Bijo, Amal Cherian, Shaji, Teena and Vishal for their help and support.
I thank A. V. Radha, S. Radha Department of Chemistry, Central College Bangalore University, Bangalore for collaborative works.

I express my sincere thanks to Dr. Pragnya Bhatt for recording PXRD, Mr. Vinod for IR, Mr. Jayesh and Mr. C. K. Chandrakanth for SEM images, Mr. Harshad for HPLC, Mr. Mitul for ICP analysis, Mrs. Sheetal for TGA, Mrs. Daksha, Mr. Sathyavir for GC analysis, Mr. Viral for CHNS, Mr. Vinod bhai, Mr. Hitesh for recording NMR, Mr. Arun Kumar Das for recording Mass Spectroscopy, and Mr. Shobhit Singh, Mr. Pradeep, Mr. Mahesh for instrumental help.

Special thanks to Mr. Arvind and other library staffs for their timely cooperation and library support. Mr. Pardeep, Mr. Pramod, Mr. Vasu, Mr. Ketan, Mr. Deepak and Avani for their constant IT support.

I am very much thankful to Mr. Atul M. Shah and Mr. Mehul Bhatt, canteen/stores/administration/account section/security staffs for their timely cooperation and valuable help. Thanks to all other members of CSMCRI for providing the conductive environment, which made my stay at CSMCRI and Bhavnagar so pleasant.

I acknowledge all my teachers of Sacred Heart School, Sattankulam especially Mr. M. Paldurai and Late Mr. Augustin, St. Xavier’s College, Tirunelveli, especially Dr. Augustin Thomas, Mr. Rajadurai and Sri Paramakalayani College, Alwarkurichi especially Dr. A. Palanivel, Dr. S. Rengamani, Mr. V. Mahadevan, Dr. G. Deverajan, Dr. K. Kalirajan, Dr. R. Venkataraman, Dr. G. Alagumuthu, Dr. S. Selvaraj and Dr. S. Ponnusamy who inspired me positively towards science from school to college life.

I thank my schoolmates Rajesh, Suthagar, Ananth, Patturaj, Jegadeesh, Vijayan and Kartheesan for their continuous encouragement and grooming my character.

I would like to acknowledge Bhavnagar University for giving me opportunity to pursue Ph.D degree and Council of Scientific and Industrial Research (CSIR), Department of Science and Technology (DST), India for financial support for doing this research.

Last but not least I would like to remember my Amma, Appa, my siblings Paulraj, Wilson, Mathona, all my family members and other relatives for their love and moral ethical support.

Finally I thank the Nature almighty for blessings.
