ACKNOWLEDGEMENT

“Appreciation is like looking through a wide angle lens that lets you see the entire forest, not just the one tree you walked up on”. I bow my head to the almighty God for the strength, endurance and perseverance he has granted. I have always felt His presence in the form of my respected teachers while sailing through high and low challenges of my career, thus moving successfully towards my destination and serving the purpose dutifully that I am here for. A debt so precious as that of learning and knowledge cannot be repaired except through gratitude. It’s indeed my great privilege and earnest duty to register my humble and respectful gratitude towards my worthy, experienced and esteemed teacher and guide, Dr. Parmil Kumar, Assistant Professor in the Department of Statistics, University of Jammu, Jammu. It has been a great privilege to work with a pedagogue of his outstanding caliber and vast knowledge. It is because of his fervent personal interest, invaluable guidance and constant encouragement that I could complete this endeavor smoothly. I am deeply thankful and indebted to Dr. Rahul Gupta, Head of the Department of Statistics, university of Jammu, Jammu for his valuable help, generous affection and constant encouragement during all this period.
I express my sincere gratitude to Prof. J.P. Singh Joorel, Dean, Faculty of Mathematical Science and Prof. of Statistics for his constant encouragement during my stay in the department. I am highly thankful to Dr. Pawan Kumar, Associate Professor, Department of statistics university of Jammu, Jammu for his affectionate advice and valuable discussions and encouragement to learn new things in academics. I am also highly thankful to Dr. Vijay Kr. Shivgotra, Assistant Professor, Department of statistics university of Jammu, Jammu for his concrete suggestions, crucial corrections and support as and when needed.

I am grateful to the staff of the Department of Statistics, especially Mrs. Sonika Sharma Librarian, Mr. Chaman Lal, Laboratory Assistant and other staff members S. Harbansh Singh, Mrs. Sheetal Kohli, Partap, of the Department for all kind of help in form of books, research articles, periodicals, reviews and other reference material and computer Laboratory help. I am highly grateful to my classmates and friends for their timely cooperation and suggestions at various stages of my project work. My deepest gratitude goes to my father Sh. Surjeet Singh and my mother Smt. Raj for their unflagging love and support throughout my life; this dissertation is simply impossible without them. Your guidance and love are deeply cherished and will always be needed. I extend my sincere thanks to Mr. Randhir Singh, my husband & my
loving daughter Aashriya Singh, my parents-in-law Sh. Sarup Singh & Smt. Sushma Jamwal, brother-in-law sh Rajinder Singh, Sh. Ravinder Singh & Sh. Jatinder Singh for their encouragement and constant support. I would also like to thank my friends Rakesh Chib, Raisa, Divya, Ruhi and my sisters Mrs. Geetanjali, Mrs. Jyotsana, Mrs. Neemisha & my brother Maj. Jaideep Singh for their unconditional support and cooperation whenever required. There very presence has made these past years a pleasant and glorious memory. Above all, I thank the Almighty for everytyhing.
