Acknowledgements

I would like to express my humble and deep sense of gratitude towards my research guide Dr. R. K. Jain for his invaluable guidance, continuous support and encouragement throughout this research work. He has been a constant source of inspiration for this work. I thank Dr. P. D. Patil, Chairman, Dr. D. Y. Patil Vidya Pratishthan Society, for continuous motivation and encouragement throughout my engineering education.

I am extremely grateful to Dr. Gopal Rai, Director, R & M Internationals for giving his valuable ideas and advice whenever needed and also for sponsoring the FRP and related material for experimentation to carry out this research work. I also thank Mr. Sujay Shah, Mahati Electricals for extending their kind permission and support to conduct the experimental work in their factory at Pimpri.

My sincere gratitude to Dr. Bilawari Karkare, Principal VIIT, Dr Mrudula Kulkarni, Head of Applied Mechanics and Structural Engineering Department, MIT, Dr. Birajdar, Prof Civil Engineering, College of Engineering, Pune for their guidance.

My sincere thanks to Dr. S. D. Lokhande, Principal, Dr. S. S. Shastri , Head of Department, Dr. S. B. Wadekar, Ph.D. Coordinator, Research Centre, Dr. S. T. Mali, Ph.D Coordinator, Civil Engineering Department, Research Centre, Sinhgad College of Engineering, Vadgaon, Pune, for their support throughout my research work. Also I extend my thanks to teaching and non teaching staff of Civil Engineering Department of the Research Centre, for their co-operation.

I express my thanks to Dr. G. K. Kharate, Dean, Faculty of Engineering and Dr. S. Y. Kute, Chairman, Board of Studies in Civil Engineering, Savitribai Phule Pune University, for their valuable guidelines for qualitative research.

My special thanks are due to Dr. A. V. Kulkarni, Dr. R. K. Lad and Dr. Radhika Menon for their moral support and encouragement. I am extremely thankful to Registrar Mr. Pramod Patil, for his encouragement. I am thankful to my colleagues Swati, Krupali, and Sachin, well wishers, all teaching and non teaching staff of Civil Engineering Department of
Dr. D. Y. Patil Institute of Engineering and Technology, Pimpri and to all those who have
directly or indirectly contributed to this work.

I am grateful for blessings of my mentor Dr. Ashok Marathe, Philosopher and Archaeologist.
My acknowledgement would remain incomplete without expressing my gratitude to all
family members. This research work would not have reached this stage without blessings and
well wishes of my mother Mrs. Jyoti G. Kalgaonkar and my father Mr. Gururaj J. Kalgaonkar
who are always great moral pillars for me. I am fortunate to feel blessings of my late mother
in law Shrimati Sandhya M. Joshi and my Uncle Late Dr. G. V. Walvekar, Ex Principal, MIT
College of Engineering, Aurangabad. It was constant motivation of my husband Ajay, which
made me sail smoothly throughout the research work. I am sure this work would not have
been possible without smile and love of my son Pranav.

I am grateful to almighty for all blessings and being there with me always.
