I owe a lot to Dr. C. N. Krishna Naik, Professor and Chairman BoS, Sri Krishnadevaraya Institute of Management, S K University, Anantapur is my Research Supervisor has been the preceptor in every sense of the word. His constant counseling, direction and for his patience guidance for the research work, his motivation have made my efforts meaningful. He stood for me like a pillar of strength through out the project and encouraged me to pursue my research work, without which the work would have not been possible. He took pains to go through the draft and gave valuable suggestions for improvement. He has been a source of constant inspiration for me and his help is indeed irredeemable.

It is a privilege to convey my heart felt thanks to Prof. Krishna Reddy, Head of the department, S.K.Institute of management,S.K.University,Anatapur, for his valuable support for the research work.

I express my humble thanks to prof. P Muralikrishna and Prof. Megharaj, who sacrificed their valuable time and made invaluable suggestions.

I sincerely thank Prof. K Ramakrishna Reddy, former Chairman, Board of Studies and Member-Executive Council, S.K.University, Prof. K. Venugopala Rao, Prof. B.Anitha, Dr.D.Prabhakar, Dr.V.Sailaja, Prof.B.R.Megharaj, and other distinguished members of Faculty, S K Institute of Management, S K University, Anantapur, for having given me valuable support and suggestions throughout the research work.

It is a privilege to convey my heart felt gratefulness to Prof. C.R.Reddy, Dean, Sri Krishnadevaraya University, for his counsel during topic selection and for the continuous support during my work.

I extend my special thanks to all Directors, Entrepreneurs, Managers, Quality Engineers and Quality Professionals of respondent companies for their continuous help in completing this work. I am thankful to all the respondents of sample organizations for their cooperation during the survey.

I express my indebptness heartfelt thanks to Dr. K.A.Krishnamurthy, Principal, Prof.C.N.Narasimha Murthy, Administrative Officer, Sri Siddhartha Institute of
Technology, Tumkur for having given the permission to pursue my Research under S. K University, Anantapur.

I wish to place on record my appreciation and gratitude to late Dr. C.Sahasranam, Professor, SSIT, Tumkur, without whose support and bearing for me, it is impracticable to imagine doing a work of this magnitude.

Friends are those who come to us in an hour of need. They deserve a special mention here for their longstanding association and being resourceful. I am grateful to Prof.L.Sampath Kumar, Prof.T.V.Malleshe, Prof.B.H.Manjunath, Dr. T.P. Bharateesh, Prof. B. S. Ravikiran and Dr.R.Prakash, Dr. Sanjeev Murthy, Mr.Raja Shankar, SSIT,Tumkur, all my colleagues and friends for their constant encouragement and successful.

Passion of knowledge comes through conceptual clarity, analytical skills and competencies imbibed during my work. I will remain greatful to Mr. M.M.Shankar, Statistician, Bangalore, Prof. S.S.Aradhya, and Dr. B.M. Nadhoni, Sri Siddhartha First Grade College, Tumkur, has been a source of inspiration for me and encouraged me during the study.

It is with fondness and affection; I regard my beloved life partner P. Bhagya who has been my best friend, the family who are a constant source of love, strength and support without whom this work would not have been successful. The little blessed soul, my daughter Nesara.R.Naik and son Gowtham.R.Naik has given me the impetus and zeal to aim big and pursue my dream.

I may have forgotten to mention the names of all those who helped me directly and indirectly in successful completion of this research work. However, I am personally thankful to each one of them for contribution.

Needless to say that all matters of analysis, interpretations, opinions, errors and omissions are entirely of my responsibility.

D. Raja Naik
