ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude and sincere thanks to my research guide Dr. K. Laha, Head, Creep Studies Section (CSS) for his generous inspiration, guidance, encouragement, useful suggestions and good wishes throughout the research tenure. I also thank him for guidance and for critically reviewing my manuscripts and thesis.

I am grateful to Dr. B.P.C. Rao (Chairman, Doctoral committee) and Dr. K. Velusamy (Member, Doctoral committee) for their encouragement and insightful comments. I would like to specially thank Dr. A.K. Bhaduri (Associate Director, MDTG and Member of Doctoral committee) for guidance in carrying out the analysis, valuable discussions and constant encouragement. I thank Dr. T. Jayakumar (Director, Metallurgy and Materials Group, IGCAR and Dean, HBNI (Engineering Sciences, IGCAR)) and Dr. M. Sai Baba (Associate Director, Resources Management Group) for granting me permission to pursue the Ph.D. degree at the Homi Bhabha National Institute.

It is my great privilege to acknowledge Dr. M.D. Mathew, Head MMD for valuable scientific suggestions during the course of this research work. I would like to thank Dr. R. Sandhya, Head, FSS and Dr. B.K. Chaudhary, Head, DDMS for their cooperation and constant support. I wish to acknowledge the painstaking efforts put in by Dr. C.R. Das for SEM investigations. I thank Dr. C. Ravishankar and Shri Utpal Borah for fruitful discussions while carrying out finite element analysis. I sincerely appreciate the help rendered by Ms. Panneerselvi and Shri M. Srinivasa Rao for help in preparing samples for SEM. I would like to thank Shri J. Christopher, Shri
G. Sainath and Dr. V. S. Srinivasan for helpful discussions on continuum damage mechanics.

I record my thanks to my colleagues Smt. K.S. Chandravathi, Dr. Isaac Samuel, Shri S. Ravi, Shri G.V.P. Reddy, Shri V. D. Vijayanand, Shri T. Sakthivel, J. Ganesh Kumar, Smt. J. Vanaja, Shri R. Kannan, Shri M. Nandagopal, Shri J. Veerababu, Shri V. Ganesan, Shri K. Mariappan, Shri S. Sakthy, Shri N.S. Thampi and Shri M. Gandhi for valuable help on varied occasions.

Friendly advice and encouragement received from Dr. A. Nagesha, Dr. C. Phaniraj, Dr. Vani Shankar and Dr. A. Moitra are acknowledged.

While I’m writing this dissertation, I can never forget the sacrifices and blessings of my father Shri Brijendra Goyal and my mother Smt. Shushila Goyal without whom I could ever be what I am now. My brothers Shri Sudheer, Shri Pramod and Shri Mahendra and sister Smt. Seema have always been my inspiration and have provided me with all care and moral support during the difficult times. A special word of thanks is due for my wife, Smt. Smita for her constant support, love and encouragement, without which, this thesis would not have been possible. I express my heartfelt appreciation for my son Utkarsh and daughter Deeksha for keeping me in good cheer with their revitalizing company.
