ACKNOWLEDGEMENT

“Gratitude is the memory of the heart”

I express my prayers and thanks to the God for the blessings showered on me, to complete this task in a successful manner. I am greatly indebted to many persons and institutions who made this work a reality.

I have to gratefully acknowledge the intellectual debts I have incurred to Dr. (Smt.) Sridharidas R.A., Principal and Head of the Department of Home Science, my guide and supervisor during the course of research work. It is with pleasure, I express deepest sense of gratitude for her valuable guidance, untiring patience, timely encouragement at every step of this research work. Her deep insight, sustained interest and invaluable advise shaped my aspirations and destined my dream into a reality and eventuated and consummated my objective. It was a great pleasure and excellent experience working under her guidance. I pay my sincere and humble thanks to her for all her help to prepare this research report.

Special word of gratitude to Prof. Nirmala Rao, former Principal, Chairperson, Smt. V.H.D Central Institute of Home Science, Bangalore for her encouragement in carrying out this research study.
I owe a special word of thanks to Prof. Padma.K., Former Acting Principal, Smt. V.H.D Central Institute of Home Science, Bangalore for all her help and encouragement in preparing this research report.

I owe a special word of thanks to Dr. Rajalakshmi, Senior Scale Lecturer, Smt. V.H.D. Central Institute of Home Science for her valuable help and encouragement in preparing this Research Report.

I owe a special word of thanks to Dr. Sumithra Devi, Selection Grade Lecturer, Smt. V.H.D. Central Institute of Home Science for her valuable help and encouragement in preparing this Research Report.

Thanks are due to the Architects, Engineers and Vaastu Consultants from Bangalore for guidance given in the collection of data.

I owe a special word of thanks to Mr. Surendra, Associate Professor, Agricultural University. G.K.V.K., Bangalore for his untiring help and timely encouragement at every step of this research work. I pay my sincere gratitude to him for his help at all stages of this study, which has made a significant and invaluable contribution to my research work.

I extend my overwhelming gratitude to my husband K.S.Naveen for all the encouragement, adjustment, co-operation, motivation and support rendered throughout the study without which I could not have pursued my work.
Grateful thanks are extended to all my family members, friends and well wishers who stood by me in good stead and helped to complete the work, which is ever to be remembered.

I owe a special word of thanks to Mr. T. Sai Srinivasan for untiring help and patience in typing and printing of this research report.

I am thankful to the Librarians of Smt. V.H.D Central Institute of Home Science, Bangalore University, Kengeri and University of Agricultural Sciences for permitting me to utilize their facilities.

Finally, I also extend my heart felt gratitude to all those who directly or indirectly helped me to complete this research work.

Place: Bangalore
Date: 5-2-2004.
