

ACKNOWLEDGEMENTS

I should like to express my sincere thanks to Professor N. Devaraj, Supervisor of this research, for his constant help, encouragement and guidance throughout this work.

I should also like to express my sincere thanks to Professor J. Ramakrishna, Department of Physics, Indian Institute of Science, Bangalore, for permitting me to use some of the facilities in his laboratory and also for his many valuable discussions and encouragement in this work.

My thanks are also due to Professor K.N. Kuchela, Head of the Department of Physics, Bangalore University, for his encouragement and interest in this work.

I express my whole-hearted thanks to my husband, Mr. C.E. Muralidhar, for his best co-operation and encouragement to carry out this research work.

I am grateful to the Bangalore University and the University Grants Commission, Government of India, for the award of Research Fellowships for carrying out this research work,

Bangalore
October, 1977
