EXPRESSION OF GRATITUDE

I would like to express my wholehearted gratitude to my research guide, Dr. S. J. Makhija, Associate Professor, Department of Biochemistry, S.B.E.S. College of Science, Aurangabad (M.S.), for her masterly scientific guidance and valuable suggestions while carrying out the present work. Her untiring enthusiasm, moral support, kind care, concern about me and my work lead me to overcome all the difficulties I met during this endeavor.

I am thankful to the Principal, S.B.E.S. College of Science, Aurangabad for providing me the platform to carry out the research work. I owe tremendous debt to Shri. Dr. S.U. Deoda, for his constant encouragement and help to find pathway, which lead to the destination I had desired. I am indebted for his kind care and concern.

It is my privilege to thank Shri. S.C. Jadhav, Assistant Director, Drug Control Laboratory (M.S.) FDA, Aurangabad for providing excellent support and infrastructure facilities for the completion of my research work. My sincere thanks goes to all staff of Drug Control Laboratory (M.S.) FDA, Aurangabad for providing necessary facilities.
I am in great debt to all, who were by my side during my doctorate study. I would like to thank all of my cohorts. Finally, no words can express the feelings towards my Parents, without their blessings, support and vision I could not have reached this stage. The special words of appreciation go to my beloved wife Sulbha, who had contributed and sacrificed a lot to reach me at this stage. My daughter Mansi and son Ved always remain a sole source of inspiration in my life.

Last but not least, words fail to express my gratitude towards Almighty God-Ganesha for their divine blessing bestowed upon me.
