ACKNOWLEDGEMENT
First and foremost, I would like to express my sincere gratitude and deep regards to my supervisor Dr. Parveen Lehana for his commendable guidance and continuous encouragement throughout this research. I could not have imagined a better advisor and mentor for my Ph.D study. I would also like to thank him for being an open person to ideas, and for encouraging and helping me to shape my interest and ideas. The blessings, help and guidance given by him time to time shall carry me a long way in the journey of life on which I am about to embark. It has been an honor for me to be his first Ph.D. student.

Besides my advisor, I would like to thank H.O.D, Prof. Anju Bhasin for her encouragement, insightful comments, and valuable suggestion. My deep gratitude and respect to Prof. Rajnikant whose guidance had been priceless to me. My sincere thank to Mr. Sandeep Arya and Mrs Romilla Malla Bhat for their encouragement and support.

I also take this opportunity to express a deep sense of gratitude to my fellow labmates who made the lab a friendly environment for working: Mr. Saleem Khan, Ms. Padmini Rajput, and Mr. Jang Bahadur Singh, Ms. Samar Jamil who have given me their friendship, their cordial support, valuable information and imparted vital enthusiasm in me during the course of this research, and helped me in completing this task through various stages. I thank for the stimulating discussions and the pleasurable moments we have had in the lab. Special thanks to technical assistants and my friends: Mr. Navneet Gupta and Mrs. Anju Gupta. I am obliged to all the staff members for the valuable information provided by them in their respective fields. I am grateful for their cooperation during the period of my thesis.

Finally, I would like to acknowledge the people who mean world to me, my much loved husband Dr. Vikram Gupta for his faith in me and allowing me to be as ambitious as I wanted. His never ending support in the moments when there was none to answer my queries, his unconditional support, both financially and emotionally throughout my degree. In particular, the patience and understanding shown by him during the years is greatly appreciated. My deepest gratitude goes to my parents, Mrs. Priti Khanna and Er. S.C Khanna, and my mother-in-law, Mrs. Ayudhia Gupta, for supporting me spiritually throughout my life. Their support, encouragement, quiet patience and unwavering love were undeniable. I wish to thank my family for being there when needed and for all the good moments and cheerful mood they have brought to me during this period. I have no words to
express my love and gratitude for my kids, Aarvi and Aarvansh, for being so loving, cheerful, and considerate. I thank the Almighty for giving me the strength and patience to work through all these years.
