I wish to express my deep sense of gratitude and respect to my research supervisor Dr. Vivek D. Bobade, for introducing me the fascinating field of Organic chemistry, his valuable guidance and helpful suggestions throughout my Ph.D. programme.

It is my pleasant duty to express my grateful and sincere thanks to Prof. D. D. Dhavale, Prin. Dr. V. B. Gaikwad, Dr. A. V. Borhade, Dr. M. N. Jachak, Dr. R. B. Toche, Dr. B. K. Karale, Dr. S. V. Patil, Dr. R. S. Varkhede, Dr. Pravin Mhaske for their valuable cooperation during this work.

I am also thankful to Sir Dr. M. S. Gosavi (Secretary, G. E. Society), Prin. V. N. Suryawanshi (Principal, H.P.T. Arts and R.Y.K. Science College, Nashik) for permitting me to work in H.P.T. Arts and R.Y.K. Science College, Nashik.

I take this opportunity to thank to Mrs. Bobade as well as my labmates Dr. Sanjay Wakchaure, Kamlesh, Hemant, Arun, Yogeshwar, Dr. Sachin, Amar, Rahul, Deepak, Santosh, Prashant, Manish, Dr. Nitin and Shridhar who made working in the lab enjoyable.

I wish to thank office staff, of H.P.T. Arts and R.Y.K., Science College, Nashik for their help whenever needed. My thanks are due to all my friends of H.P.T. Arts and R.Y.K., Science College, Nashik, IIT Mumbai, NCL Pune, University of Pune for providing library and spectral analysis facilities and special thanks are also due to Mrs. Chaudhari madam, Department of Chemistry, University of Pune for recording NMR spectra.

I am also thankful to my parents, all family members, relatives, friends and teachers who have contributed a lot for me to reach this stage. The love and support from my wife Mrs. Priya, and daughter Miss Shreya for the healthy and inspiring environment, without whom I would not been able to stand out as a person and my deep sense of gratitude remains forever. The thesis is a form to pay respect to their attributes.
