Annexure 8

Interview with Authorities

- Authority name, responsibilities and accountability.

Aims and objectives related questions
- What was the need for JNV schools? When were they started? Which state adopted it for first? Is there any state which does not have any JNV? If yes, why? Comment how that state bears the loss of not having JNVs?
- What are the aims/objectives of JNVs? (admission process in the schools, percentage of rural/urban/sc/bc/obc/girls)
- How are they being fulfilled?

Network of JNVs

- Comment on the planning and setting up on JNVs?
- Is the network of JNVs growing as per plan?
- How a JNV set is up and establish?
- Who does the funding? State of Center or both have certain share?

Infrastructure related questions
- When are books and uniforms to the schools distributed? What else is provided to the students? Is it with the start of session? For all schools (nearby and far off).

Human Resource Management related questions
- Comment on the recruitment of teaching and non teaching staff?
- How is the transparency in the selection assured?
- Do all schools have sufficient staff?
- Comment on the training program of the selected personnel? (both teaching and non teaching)
- When does the training of personnel take place? What is the duration? What is the frequency of the training programs?
- Who organizes the training programs?
- Is the training satisfactory? Can it be improved? Any suggestions?
Inspections related questions

- Comment on the inspections of schools? How often they are inspected? Do surprise inspections take place?
- Who inspects the schools?
- Do you think near off schools are rigorously inspected rather than far off?
- If yes, why so?

Grievance redressal related questions

Comment on the grievance redressal system in JNVs?

- Does the redressal of grievances take place?
- Do the complaints from schools quite often?
- Which authority takes action for the redressal of grievances?
- How long the process takes place?
- How much effective it is?

Delivery of Services

Admission process in JNVs

What other agencies are involved in the administration of JNVs?

Experience sharing of JNVs related questions

- Does the interaction take place among schools and other schools and other educational agencies of the state?
- How does the JNV’s experience the interactions with other schools in the state?
- Interactions of the office with other state agencies?
