It is a pleasure to express my deep sense of gratitude to Dr. Ashok Sahni, Professor in Palaeobiology, Centre of Advanced Study in Geology, Panjab University, Chandigarh, whose systematic supervision and encouraging attitude has been a constant source of inspiration. He took a keen interest in guiding me in every possible way and also in checking the manuscript for which I am highly indebted to him.

I am deeply grateful to Professor A.D. Kharkwal, Chairman, CAS in Geology, Panjab University, for providing laboratory and other necessary facilities. I am equally thankful to Professors B.S. Tewari, S.B. Bhatia, M.N. Saxena and V.J. Gupta for valuable discussions and encouragement.

Professors J.L. Hartenberger, J. Sudre and M. Vianey-Liaud of the Laboratoire de Paléontologie, Montpellier University (France) and Professor J.J. Jaeger of Paris spent a considerable part of their time with me in the field and most willingly gave constructive suggestions and advice. To them, I express my sincere thanks.

I would also like to take this opportunity of thanking Drs. Ravindra Kumar, Ramesh Kumar, R.Y. Singh, S.K. Kulshreshtha and other faculty members for assistance in many ways.
Mr. B.N. Tiwari, a Senior Research Fellow of Lucknow University, deserves special thanks for his expert advice and encouragement which, he, very liberally extended to me particularly during the last 'crucial' stage of this project.

I extend my sincere thanks to my research colleagues P.S. Suri, R.S. Loyal, D.B. Guha, B.S. Kotlia and R.S. Rana for their kind co-operation.

I am also thankful to Mr. Suresh Srivastava (G.S.I., Jaipur) and Mr. Arora (G.S.I., Lucknow) for their help in the field and laboratory.

I would also like to thank Mr. Mithai Lal, Mr. Gyan Chandra, Mr. Arjun Singh and all other staff members of the Centre for their help throughout the course of work.

Special thanks are due to Mr. G.D. Sharma for the excellence he has shown in the typing of this dissertation.

Financial assistance from the Government of India in the form of a Junior Research Fellowship (C.S.I.R. No. 7/135/53S/80-EHR-I) which was later enhanced to Senior Research Fellowship, is also thankfully acknowledged.

Dated: 4th May, 1982
