CONTENTS

Preface 1

PART - I

Chapter 1
Introduction 2

Chapter 2
Classification of Foraminifera 7
Laboratory procedure and techniques 14

PART - II

Chapter 3
Previous work on the East Coast Gondwanas 18

Chapter 4
Geology of the East Coast Gondwanas 22

Chapter 5
Systematic descriptions 38

Chapter 6
Paleoecology 86

Chapter 7
Composition, age, and affinities of the microfauna 94

PART - III

Chapter 8
Previous work on the Infra- and Inter-trappean beds 97

Chapter 9
Geology of the area 103

Chapter 10
Systematic descriptions
I - Infra-trappean beds 112
II - inter-trappean beds 130
Chapter 11

Paleoecology

I - Infra-trappean beds 170
II - Inter-trappean beds 172

Chapter 12

Composition, age, and affinities of the microfauna

I - Infra-trappean beds 179
II - Inter-trappean beds 181

Summary 183

References 184

Explanation of Maps, Plates, and Tables 212
