ACKNOWLEDGEMENTS

With profound pleasure, I wish to acknowledge my indebtedness to my teacher, Dr. O.P. Mittal, Ph.D. (Pb.), Reader, Department of Zoology, Panjab University, Chandigarh, for his able guidance, constant encouragement and critical appraisal of the manuscript.

I owe my sincere gratitude to Professor S. Khera, D.Sc., Chairman, Department of Zoology, Panjab University, Chandigarh and Professor H.S. Vasisht, Ph.D., former Chairman of the Department of Zoology, Panjab University, Chandigarh, for providing me the necessary laboratory facilities.

I wish to express my thanks to Dr. G.P. Sharma, Ph.D. (Pb.), Ph.D. (Edin.), F.N.A., Professor Emeritus, Panjab University, and Dr. H.R. Fajni, Ph.D. (Pb.), Reader, Department of Zoology, Panjab University, Chandigarh, for their timely help and valuable suggestions.

My thanks are also due to Dr. N.C. Pant, Common Wealth Institute of Entomology, U.K., and to the Directors, Forest Research Institute, Dehradun and Zoological Survey of India, Calcutta, for their help in the identification of the insects.

I acknowledge gratefully the financial assistance provided to me by the Panjab University, Chandigarh, in the form of a Research Fellowship.

Finally, I wish to place on record my indebtedness to my husband, parents, relatives and friends whose encouragement, affection and co-operation have been a constant source of inspiration throughout the duration of my research work.

(Leelamma Joseph)
