LISTS OF TABLES

Table 4.1. Shannon Diversity Indices of Frugivorous birds at Jeypore RF 46
Table 4.2. Total number of species and mean population sizes of Frugivorous Birds in various transects 48
Table 4.3. Species richness, abundance and diversity of Frugivorous birds 51
Table 4.4. Pearson’s Correlation between species encountered in different habitat categories with their geographical distribution range. 53
Table 4.5. Results of ANOVA performed with dependent variables as species encountered at different habitat categories 53
Table 4.6. Checklist of species recorded at different habitat categories 55
Table 4.7. Food species, family and characteristics of fruits consumed by Brown hornbill and Yellow-legged Green-pigeon during breeding season 63
Table 4.8. Food species, family and characteristics of fruits consumed by Brown hornbill and Yellow-legged Green-pigeon, during the non-breeding season 67
Table 4.9. Encounter rates of Brown hornbill at different habitat types 78
Table 4.10. Encounter rates of Yellow-legged Green-pigeon at different habitat types 80
Table 4.11. Characteristics of nest-site and non-nest site plots of Brown hornbill 84
Table 4.12. Pearson’s Correlation Co-efficient Matrix between nest tree variables of Brown hornbill 86
Table 4.13. Summary Statistics of the Principal Component Analysis 87
Table 4.14. Potential nest tree species, tree characteristics and availability of Brown hornbill 89
Table 4.15. Causes of unsuccessful nesting attempts of Brown hornbill 92
Table 4.16. Characteristics of nest-site and non-nest site plots of Yellow-legged Green-pigeon 94
Table 4.17. Pearson’s Correlation Co-efficient Matrix between nest tree variables of Yellow-legged Green-pigeon 96
Table 4. 18. Summary Statistics of the Principal Component Analysis

Table 4. 19. Potential nest tree species, tree characteristics and availability of Yellow-legged Green-pigeon

Table 4. 20. Causes of unsuccessful nesting attempts of Yellow-legged Green-pigeon

Table 4. 21. Roost site characteristics of Brown hornbill

Table 4. 22. Roost site characteristics of Yellow-legged Green-pigeon

Table 4. 23. Potential roost trees of Brown hornbill and Yellow-legged Green-pigeon,

Table 4. 24. Roost counts of Brown hornbill and Yellow-legged Green-pigeon
