List of Tables

Table 2.1: Trends in livestock population in India, 1982 to 1997 23
Table 2.2: Production of Major Livestock Products in India 24
Table 2.3: Yield levels of livestock products, 1999-2001 (kg/animal) 26
Table 2.4: Share of Agriculture and Livestock Sector in GDP 28
Table 2.5: Value of Output from livestock sector at 1993-94 prices (Rs crores) 29
Table 2.6: Annual growth in value of livestock output at 1993-94 prices 30
Table 2.7: Sectoral distribution of rural workers in India (%) 31
Table 2.8: Female labour employment as percent of total employment 32
Table 2.9: Annual growth rate (%) of rural employment by sex 33
Table 2.10: Consumption pattern (quantity in kg/person/annum) 34
Table 2.12: Demand Projections for selected livestock products to 2020 35
Table 2.13: Gross Calorie Content in Livestock Products 36
Table 2.14: Trade in livestock products in India 37
Table 2.15: Structure of livestock sector trade (%) 39
Table 2.16: Annual growth in livestock sector trade (%) 40

Table 3.1: Distribution of Meat Processing Units, 1980-81 to 1999-2000 43
Table 3.2: Major manufacturers of processed meat products in India 44
Table 3.3: Trends in meat production in India, species-wise 46
Table 3.4: Composition of meat production in India (%) 46
Table 3.5: Slaughter rates of different types of animal (%) 48
Table 3.6: Number of Animal Slaughtered in India, species-wise 49
Table 3.7: Share of livestock and meat output in total agricultural output (%) 51
Table 3.8: Trends in value of meat output at 1993-94 prices 52
Table 3.9: Distribution in value of meat output at 1993-94 prices (%) 53
Table 3.10: Trends in quantity of meat export from India, species wise 53
Table 3.11: Quantity composition of meat export from India (%) 54
Table 3.12: Trends in value of meat export from India, species wise 55
Table 3.13: Value composition of meat export from India (%) 56
Table 3.14: Trends in domestic consumption of meat, species wise 57

Table 4.1: World Meat Production by species 62
Table 4.2: World Meat Export by species 65
Table 4.3: World Meat Import by species 67
