ACKNOWLEDGEMENT

I have a great pleasure to express esteemed gratitude and grateful thanks to my erudite guide Dr. S. MANJAPPA, Professor and Head, Department of Environmental Science and Technology, Bapuji Institute of Engineering and Technology, Davangere for his able guidance, keen interest and enthusiastic encouragement throughout the course of the present investigation.

I, most gratefully acknowledge my immense indebtedness and deep sense of gratitude to my co-supervisor, Dr. E.T. PUTTAIAH, Professor and Chairman, P.G. Dept. of Studies and Research in Environmental Science, Kuvempu University, Jnanasahyadri, Shankaraghatta for his sagacious guidance, valuable suggestions, constant help and advise, during the course of investigation.

I am immensely thankful to Prof. Y. VRUSHABHENDRAPPA, Principal, Bapuji Institute of Engineering and Technology for providing the facilities and valuable help to carry out this research programme.

I deem it a great pleasure to record my thanks to Sri. B. Ganesh, and Prof. M. Krishnappa for their continuous encouragement.

I cosign, immense thanks to Prof. M. KRISHNAPPA, Professor and Chairman, P.G. Department of Applied Botany for his affectionate encouragement.

It is my esteemed duty to record high regards to my parents Er. M. GUDUDAPPA, Smt. SHARADA GUDUDAPPA, with whose inspiration, moral support, sustained interest extended throughout my academic career which led to fruitful completion of my research programme.

The willing co-operation offered by my erudite cronics in particular Dr. T. PARAMESHWARNAIK and Sri. H.S. RAVIKUMAR PATIL, are duly acknowledged.
I thank my colleagues Dr. S.V. Krishnamurthy, Dr. J. Narayana, Dr. S.G. Malammanavar, Dr. M. Venkateshwarulu, Mr. B.S. Ravikumar, Mr. B.R. Kiran, Mr. Yogendra K, Ms. Hina Kauser, and Ms. Parinitha Mahishi for being co-operative.

My sincere thanks are due to Sri. H.B. Aravind, Asst. Professor, Sri. B.E. Basavarajappa, Lecturer, B.I.E.T. and Sri. C.H. Muregendarappa, Reader, A.V.K.C.W., Davangere who helped directly or indirectly to complete this work.

I place on record my heartfelt thanks to my family members M.G. Dayanand, Kalpana, Kaveri, Pummy, Er. J.N. Mahantesh, for their love and affection coupled with constant encouragement during my studies and present investigation period.

I highly obliged to Smt. Susheela Puttaiah and Smt. Manjula Manjappa for their affectionate encouragement.

I am grateful to authorities of Kuvempu University and Bapuji Institute of Engineering and Technology for providing facilities.

I wish to express my sincere thanks to Sri Chandrappa G.P, Girish, Shanmukha D, Suresh K.B., and Vamadeva G.S., ESVEE COMPUTERS who evinced keen interest to get the thesis typed in time.

My heartfelt thanks one also due to all those who have helped me directly or indirectly in successful completion of this work.

PLACE : DAVANGERE.
