ACKNOWLEDGEMENT

I avail this golden opportunity to place on record, my earnest, profound, peerless and heartfelt sense of gratitude to Dr. J. Narayana, M.Sc., Ph.D., Reader and Chairman, Dept. of P.G. Studies and Research in Environmental Science, Kuvempu University, Jnana Sahyadri, Shankaraghatta, Shimoga for his valuable and expert guidance, persistent encouragement, constructive criticism and keen interest throughout the course of this investigation and in the completion of this thesis.

I am highly indebted for the close association and guidance of Dr. K. KRISHNAPPA, M.Sc. (Agri), Ph.D., Professor of Nematology and Co-Chairman, University of Agricultural Sciences, G.K.V.K., Bangalore whose keen interest, advise, valuable guidance and encouragement throughout the period of investigation are gratefully acknowledged.

I am extremely grateful to Dr. M.S. VIGNESHA, Professor and Head, Counselling Unit, Dept of Sociology and Counseling, College of Agriculture, Navile, Shimoga who is for his heartfelt guidance, encouragement and help in channalizing my efforts in the right direction to the research field, which made this research a memorable experience.

I owe a very sincere debt of gratitude to Prof. B.L. VISHWESHWARA GOWDA, Associate Director of Research, Zonal Agricultural Research Station, Navile, Shimoga for his encouragement, valuable guidance in writing the thesis.
His untiring efforts in reading and correcting the manuscript are gratefully acknowledged.

I deem it my privilege to express my deep sense of gratitude and sincere thanks to Dr. T.S. VAGEESH, Professor of Soil Science and former Chief Scientist, All India Network Research Project on Tobacco, for his kind suggestions and guidance during the period of investigation.

I can never forget the kind help rendered to me by Prof. SHIVAYOGESHWARA, Entomologist, AINRP on Tobacco. His kind advise, moral support and financial assistance are gratefully and sincerely acknowledged.

I would like to thank profoundly, Dr. PURUSHOTTAMA, Lecturer, Sahyadri College, Shimoga for his valuable guidance and help in completing the thesis.

My gratitude is also extended to Dr. P.R.S. REDDY, the Project Coordinator, AINRP, on Tobacco, Central Tobacco Research Station, Rajahmundry A.P., Sri. V. SURYANARAYANA, The Librarian, CTRI, Rajahmundry, Sri. M.D. BAJUDDIN, Statistician, CTRI, Rajahmundry, Dr. S. RAMAKRISHNAN, Nematologist, CTRI, Hunsur and Dr. S.S. SREENIVASA, Senior Technical Assistant, CTRI, Hunsur for their encouragement and valuable help.

I thank my colleagues Dr. B.R. Gurumurthy, Dr. K.T. Gurumurty, Dr. S. Rangaiah, Dr. N.G. Ravichandra, Dr. N. Sreenivasa Dr. Jayaram
Gowda, Dr. Venkatesh, Dr. Ganesh Naik, Mr. C. Kare Gowda and Mr. M.K. Basavaraja, for their continuous encouragement and help.

I feel it is my bounden duty to express my cordial thanks to my wife Smt. Meena R. Jagathap for all the help, co-operation and co-ordination extended to me during the course of these days without which this venture would not have been possible.

I acknowledge the kind help rendered to me by close friend T.R. Prakash and his wife Smt. Bhagyalakshmi for their moral support and encouragement.

Finally, I wish to express my heartfelt gratitude to sisters, Susheela, Manjula and Kalpana and brothers Shankar Rao Jagathap, Gururaja Jagathap and Late Mohana Rao Jagathap children Prajwal Jagthap and Sanjana Jagthap and brothers-in-law Mr.M.Panduranga Rao Sonale, Mr.M.Janardhan Rao Jadav, and Mr.Madhav Rao Chavan and Sisters-in-law Smt.Alaka, Smt.Rekha and Smt. Suma, for their affection and encouragement during the period of my studies.

Shimoga
April, 2007
