# TABLE OF CONTENTS

List of Tables ................................................................. xi

List of Figures ................................................................. xii

**Chapter 1 Introduction** .................................................. 1

1.1 Introduction to Text Summarization
1.2 Ontology Based Automated Text Summarization
1.3 Description of the Research Work
1.4 Organization of the Thesis

**Chapter 2 Literature Survey and Similarity Search - Methods and Techniques** ........................................ 19

2.1 Early Work
2.2 Machine Learning
2.3 Deep Natural Language Analysis Methods
2.4 Multi document summarization
2.5 Other approaches to summarization
2.6 Text Summarization Systems
2.7 Evaluation
2.8 Similarity Search – Methods and Techniques
2.9 Conclusion
Chapter 3 Automated English Text Summarization ............ 60

3.1 Related Work
3.2 Methodology
3.3 Experimentation
3.4 Discussion
3.5 Conclusion
3.6 Limitations

Chapter 4 Ontology Based Approach Automated Text Summarization ........................................... 79

4.1 Introduction
4.2 Ontology Based Approaches to Text Summarization
4.3 Case Study
4.4 Results

Chapter 5 Automated Telugu Text Summarization ......... 96

5.1 About Telugu
5.2 Background
5.3 How the Telugu Shape Engine Works
5.4 Experimental Results
Chapter 6 Corpus based Multi-document Telugu Text

Summarization in Indian languages .......................... 103

6.1 Introduction
6.2 Abstraction and Information Fusion
6.3 Topic Driven Summarization and MMR
6.4 Graph Spreading Activation
6.5 Centroid Based Summarization
6.6 Multilingual Multi-document Summarization
6.7 Our Approach
6.8 Results

Chapter 7 Conclusion .............................................. 114

Bibliography .......................................................... 116
