

[43] M. Jain and S. Kumar, A common fixed point theorem in fuzzy metric space using the property (CLRg), *Thai Journal of mathematics* (Article in press).

Appendices

A. List of Publications

11. Common fixed point for generalized-(ψ, φ, ℓ)-weakly contractive mappings in generalized metric spaces (Communicated).
B. Conferences/Workshops Attended

4. Workshop on Application of Computer Software in Mathematical Modeling held at GGSIPU, Delhi from May 16-17, 2014.
