

ACKNOWLEDGEMENTS

It is a pleasure to place on record my grateful thanks to my research supervisor Prof. K. Hussain Reddy, M.Sc; M. Phil, Ph.D, Department of Chemistry, Sri Krishnadevaraya University, Anantapur for all the guidance, insights, learning and support to complete my work. Thank you for building the right foundation for my work. It has indeed been a tremendous learning experience for me working with you.

I express my sincere thanks to Prof. M. C. S. Subha, Chairperson, Board of Studies and Head, Department of Chemistry, and Prof. V. Suryanarayan Rao, Former Head, Department of Chemistry and other faculty members for their help and encouragement.

It is abnoxious here to acknowledge my sincere thanks to Prof. A. K. Ganguly, and Mr. Shailesh Upreti, Department of Chemistry, Indian Institute of Technology – Delhi, New Delhi for his help in solving the single crystal x-ray diffraction. I apprize my sincere reverence to Prof. S. Pal, Department of Chemistry, Hyderabad Central University and Prof. A. M. Khadar, Department of Chemistry, Mangalore University, Mangalore for his help in carrying magnetic moments. I wish to acknowledge my sincere thanks to Prof. S. Dayananda, Department of Bio-chemistry, Hyderabad Central University and for deliberations in investigating nuclease activity work. I would like to my thanks to Prof. G. H. Philip, Department of Zoology, S. K. University, Anantapur for using his lab in part of my work.

I take an opportunity to thank my brother, Dr. P. Raghavendra Kumar (IIT-Delhi), Research Scientist, Jubilant Biosis, Bangalore for help and constant support in during the progress of my research work.

I am gratefully indebted to B. M. Nagaraja, IICT, Hyderabad, T. V. Pratap, IICT, Hyderabad, Dr. J. P. Pandey, Department of Bio-chemistry, Hyderabad Central University in carrying nuclease activity, Pitchika G. Krishna, Department of Zoology, S.K. University, Anantapur, Arun Luiz, IIT-Madras for their constant help and encouragement..

I am extremely thankful to Head of the RSIC, IIT-Bombay, CDRJ, Lucknow for proving ESR and Mass spectral data.

I am fortunate to have wonderful company of Surendra, Vidyasagar, Saleem Basha, Vasudeva Reddy, Sanjeev, Naveen, Kiran, Anjaneyulu, Mohan Reddy, Govind Chowdary, Pape Gouda, Srinivas, Venkat narayana, Nagarjuna, Hari Babu, Rajesh in the Department and Ranghanath, Satyanarayana in the room.

I owe my heartfelt thanks to my friends, Kesav, Mohan Reddy, Madri Prasad, Marriswamy and Ravi.

With great sense, I express my gratitude to my beloved parents Dr. P. Sreenivasa Murthy and Smt. P. Kamamma, and sisters, Brothers-in-laws, Brothers, nephew and niece for inspiring me in all the way to carry out the research work.

Finally, I would like to take this opportunity to thank to Dr. R. Ramachandra Murthy, Dr. G. Sailaja, and the people who helped me in reinforcing this spirit and were always there to support, motivate, guide and help me at every stage of my work. Without their support and encouragement, this work would not have been possible.

P. Murali Krishna
