1. Introduction ......................................................... 1 - 30

1.1. Introduction

1.2. Role of Library in Education
   1.2.1 Information Seeking and Digital Libraries

1.3. Information Concept

1.4. Need for the Study

1.5. Title and Concepts
   1.5.1. Concepts of the Title
   1.5.2. Information seeking behaviour
   1.5.3. Teaching Faculty
   1.5.4. Andhra Pradesh
   1.5.5. Rayalaseema

1.6. Objectives

1.7. Hypotheses

1.8. The Universe and Sample
   1.8.1 Limitations

1.9. Methodology
   1.9.1 Questionnaire 1
   1.9.2 Questionnaire 2

1.10. Pilot Study

1.11 Other sources

1.12 Citation Method

1.13 Data Analysis

1.14. Chapterisation (Conspectus)
2. Concepts of Information Seeking Behaviour... 31 - 68

2.1. Introduction
2.2. Information Definition & Meaning
2.3. Concepts of Information Seeking Behaviour
2.4. Information Seeking Behaviour Models
2.5. Information Searching Models
2.5. Information: Generation and Utilisation

3. Review of Literature ......................... 69 - 115

3.1. Introduction
3.2. Need for Review of Literature
3.3. Information Seeking: Conceptual Paradigm
3.4. Studies conducted in the West
3.5. Studies conducted in India
3.6. Other Studies
3.7. Information seeking behaviour models
3.8. Inferences

4. Growth and Development of Higher Education in Andhra Pradesh with Special Reference to Rayalaseema Region ......................... 116 - 181

4.1. Introduction
4.2. Education
4.3. Historical perspective of Indian Education
   4.3.1. Higher Education in Medieval India
   4.3.2. Historical review of development of Higher Education in India before 1947
   4.3.2.1. Expansion of Higher Education (1856-57 to 1901-1902)
   4.3.2.2. Higher Education (1902-1921)
   4.3.2.3. Higher Education (1921-1937)
   4.3.2.4. Higher Education (1937-1947)
   4.3.2.5. Committees and Commissions on Higher Education (1902-1921)
4.3.2.6. Indian Education Commission or Hunter Commission (1882-1883)
4.3.2.7. Indian Universities Act (1904)
4.3.2.8. Indian Universities Commission (1902)
4.3.2.9. Calcutta University Commission OR Sadler Commission (1917 – 1919)

4.4. Committees, Commissions and Allied Documents on Higher Education in India since Independence

4.5. University Grants Commission (UGC)
   4.5.1. Reforms in Higher Education Administration
   4.5.2. Autonomous Colleges
   4.5.3.1. Some of the features of the new policy

4.6. Acharya Ramamurthy Committee Report

4.7. Development of Higher Education in Andhra Pradesh
   4.7.1. Current Status
   4.7.2. Degree Colleges
   4.7.3. Restructuring of Courses

4.8. INFLIBNET

4.9. Growth and Expansion of Sri Krishnadevaraya University

4.10. Growth and Expansion of Sri Venkateswara University

4.11. Selected colleges in Rayalaseema

5. Data Analysis and Interpretation .......... 182 - 275

5.1 Introduction
5.2 Sample size
5.3 Classification of Respondents by Sex
5.4 Classification of Respondents by Age
5.5 Classification of Respondents by Designation
5.6 Classification of Respondents by Institutional Library Visits
   5.6.1 Designation Vs Institutional Library visits
   5.6.2 Sex Vs Institutional Library visits
   5.6.3 Age Vs Institutional Library visits
5.7 Classification of Respondents on the Time spent in the Institutional Library
5.7.1 Age Vs Time spent in the Library per week
5.7.2 Sex Vs Time spent in the Library per week

5.8 Classification of Respondents by the existence of Departmental Libraries

5.9 Classification of Respondents by visits to other Libraries
5.9.1 Designation Vs Other Library visits
5.9.2 Age Vs visiting other libraries

5.10 Classification of Respondents dependence on the Documentary Sources
5.10.1 Classification of respondents by the dependence on documentary sources of information
5.10.2 Extent of dependence on Informal/Interpersonal sources

5.11 Classification of Respondents by the motivating factors in seeking information

5.12 Classification of Respondents by the dependence on Bibliographic reference sources of information

5.13 Classification of Respondents by the dependence on informal and inter-personal sources of information

5.14 Classification of Respondents by the use of Library services

5.15 Classification of Respondents by the Delegation for information
5.15.1 Reasons for Delegation
5.15.2 Delegation by nature of work
5.15.3 Delegation by Designation
5.15.4 Delegation by Sex
5.15.5 Delegation by Age

5.16 Classification of Respondents by sharing of information
5.16.1 Designation Vs Sharing information with superiors
5.16.2 Designation Vs Sharing information with peers and colleagues
5.16.3 Designation Vs Sharing information with subordinates and juniors
5.17 Classification of Respondents by attending Conferences/Seminars/Interactive meetings

5.17.1 Designation Vs attending Conferences/Seminars/Interactive meetings
5.17.2 Age Vs attending Conferences/Seminars/Interactive meetings
5.17.3 Dependence on Conferences/Seminars/Interactive meetings
5.17.4 Designation Vs Extent of dependence on Conferences/Seminars/Interactive meetings

5.18 Classification of respondents by the use of databases in the Library

5.18.1 Designation Vs type of Database used
5.18.2 Designation Vs Extent of Database used
5.18.3 Impact of environmental factors on Information seeking behaviour of Teachers

5.19 Classification of respondents by the information collecting methods

5.19.1 Collection of information for Teaching
5.19.2 Collection of information for Research

5.20 Classification of Respondents by the dependence on information sources for Teaching

5.20.1 Designation Vs Dependence on Books for Teaching
5.20.2 Designation Vs Dependence on Journals for Teaching
5.20.3 Designation Vs Dependence on Informal/Interpersonal sources for Teaching
5.20.4 Designation Vs Dependence on Internet services for Teaching
5.20.5 Designation Vs Dependence on Field/Survey Reports for Teaching
5.20.6 Designation Vs Dependence on Book reviews for Teaching

5.21 Classification of Respondents by the dependence on information sources for Research

5.22 Classification of Respondents by the Satisfaction with information sources for Teaching

5.22.1 Designation Vs Satisfaction with Books for Teaching
5.22.2 Designation Vs extent of Satisfaction with Journals for Teaching
5.22.3 Designation Vs Satisfaction with Internet service for Teaching
5.22.4 Designation Vs Satisfaction with Field/Survey reports for Teaching
5.22.5 Designation Vs Satisfaction with Book Reviews for Teaching

5.23 Classification of respondents by satisfaction with information Sources for Research

6. Summary, Findings and Suggestions............ 276 - 291

6.1 Introduction
6.2 Major findings
   6.2.1 Degree colleges in Rayalaseema
   6.2.2 Sample size
   6.2.3 Background information of Degree college libraries
   6.2.4 Background information of the Respondents
   6.2.5 Library use
   6.2.6 Formal documentary and non formal documentary sources required
   6.2.7 Motivational factors
   6.2.8 Dependence on Bibliographic reference sources
   6.2.9 Dependence on formal/documentary and informal/interpersonal sources
   6.2.10 Use of Institution's Library services
   6.2.11 Delegation of work
   6.2.12 Sharing of information with others
   6.2.13 Conferences/Seminars
   6.2.14 Use of databases
   6.2.15 Information collecting methods
   6.2.16 Dependence on information sources
   6.2.17 Satisfaction with information sources
   6.2.18 Hypotheses testing

6.3 Suggestions
6.4 Scope for further Research
ANNEXURES..................................................................................... i - xviii

Annexure - 1  Questionnaire for Faculty
Annexure - 2  Questionnaire for Librarian
Annexure - 3  List of Degree Colleges in Rayalaseema Region
