ACKNOWLEDGEMENT

Setting an endeavor may not always be an easy task, obstacles are bound to come in this way & when this happens, help is welcome & needless to say without help of the those people whom I am going to address here, this endeavor could not have been successful and I avail this opportunity to extend my hearty indebtedness to my research supervisor Prof. A. Varada Rajulu, Dean of Physical Sciences, Department of Polymer Science & Technology, Sri Krishnadevaraya University, Anantapur for his encouragement in my academic career, meticulous guidance, for his congenial, comprehensive, cloudless source of inspiration and his humane as well as humanitarian treatment in the stormy situations upgraded me a lot for the fulfillment help in carrying out my research work. I would never have been able to accomplish any of my goals without the support of my research supervisor there when I needed them.

I further cordially present my gratitude to the enormous help and support by Prof. S.Venkata Naidu (SAP-Co-Ordinator) for his constant encouragement and co-operation throughout my research work.

My thank to Prof. K. Mohan Raju, Head: Department of Polymer Science & Technology for his help and cooperation during my research work in the department.

My thanks are due to Prof. N. Subbarami Reddy, Chairman, Board of Studies Department of Polymer Science & Technology for his help and cooperation during my research work in the department and to Prof. K. Chowdoji Rao (Dean, UGC affairs) for co-operation throughout my research work.

I express my sincere thanks to Dr. T.N.Swamy, Scientist, CLRI, Chennai for his encouragement during the course of study.

It is my great pleasure to express my immense gratitude to Dr. R.Lakshminarayana Reddy, Dr. G.Babu Rao, and Sri.A.Venunadhan, for their counseling help, suggestions, and co-operation throughout this work.
I would like to say thank-you to the our group members, especially Mr. K. Obi Reddy, Mr. D. Jeevan Prasad Reddy, Miss. C. Uma Maheswari, Mr. D. Jagadish and Mr. K. Madhusudhan Rao for their constant encouragement and valuable contributions to my research.

My special thanks to S. Naresh lab-assistant who helped me in the lab during my research work.

I would like to express my sincere thanks to beloved and best well-wishers Mr. G. Ramu, Signal Engineer, G.E. Industrial Pvt. Ltd, Transportation Division, Bangalore, Dr. CH. V. V. Ramana, Teaching Assistant, Department of Instrumentation, Sri Krishnadevaraya University, Anantapur, Mr. G. Suresh Kumar, Sr. Test Engineer, Accel Frontline Pvt. Ltd, Chennai, Dr. T. Bhaskara Reddy, Associate Professor, Department of Computer Science & Technology, Sri Krishnadevaraya University, Anantapur and Dr. C.G. Rama Mohan Reddy, Department of Political Science & Public Administration, Sri Krishnadevaraya University, Anantapur for his help in understanding the various things related to my personal.

I deem it a great pleasure to express my sincere thanks to my all research scholars Mr. G. Siva Mohan Reddy, Mr. Varaprasad, Mr. M. Harshavardan Reddy, Mr. N. Nanda Kishore, Mr.N. Narayana Reddy, Mr. S.Ravindra, Miss. Vimala, Mr. C.V. Prasad, Mr. Ramachandra reddy, Mr.H.Sudaker, Miss. S. Bharathi, M. Ashok Kumar, Mr. T. Bheemalingaiah, Smt. N. Anju Latha, Mr. C. Chandra Mouli, Mr. S.V. Subba Reddy, K. Raghavendra Kumar, Mr. M. Penchullaiah and Mr. G. Bala Swamy for their cooperation in carrying out my research work.

I am greatly indebted and sincere thanks are due to the University Grants Commission, New Delhi for providing financial assistance through UGC Major Research Project Fellowship, which enabled me to complete my work.

Finally, I expressed my gratitude to one and all who helped me directly or indirectly in the completion of this work.

First and foremost, I would like to thank my family for all that they have given me throughout my lifetime. I would like to give special thanks to my parents, Sri. J. Venkeswarulu and Smt. J. Parvathi, who have always supported me in what I’ve done, and who have given me the opportunities that have led me to where I am today. Their valiant attempts to understand my work are highly commendable. I would also like to give thanks to my brother Sri. J. Chandra Sekhar, sister-in-law Smt. J. Silpa and my beloved sister Kumari. J. Kavitha, have provided many laughs and good times along the way.

Finally, the author is thankful to the authorities of Sri Krishnadevaraya University, Anantapur for providing the necessary facilities.

J. Jayaramudu.....
