Acknowledgements

First and foremost, I owe my deep debt of heartfelt gratitude to my teacher and research supervisor Prof. K. Chowdaji Rao, Head, Department of Polymer Science & Technology, for giving me an opportunity to work under his guidance, for his support, and encouragement throughout my study and he has also guided my personal development and maturation as an independent, confident, and strong researcher, something I never could have learned from a book. I am extremely lucky to work with such a high profiled person. His guidance was the next best thing to knowledge, which I will cherish throughout my life. He is truly a source of inspiration to pursue a research-oriented career.

I extend my sincere thanks to Prof. K. Mohanaraju, B.O.S Prof. A. Varadaraju, CSIR, emeritus professor, Prof. S. Venkata Naidu, Prof. N. Subbarami Reddy, Dept, Polymer science & Technology and all the non-teaching staff members of our department, S.K. University for their kind support, valuable suggestions and co-operation throughout my research work.

I wish to record my deep and heartfelt gratitude to Prof. M.C.S. Subha, Department of Chemistry, S.K. University, Anantapur for her constant support and valuable suggestions during the course of my research work.
