ACKNOWLEDGEMENTS

One of the pleasures of concluding this task is the opportunity it gives me of acknowledging obligation and offering gratitude to those who have helped me at the time of completing Ph.D. research work.

First of all I express my deepest gratitude to my Research Supervisor Dr. S. MADHUSUDANA VERMA, Associate Professor, Department of OR & SQC, Co-ordinator, Department of Mathematics, SK. University PG Centre, Kurnool, for his guidance and counsel. Among several things I learned from him are the tenacity and ambition to address and think through the Physical Phenomenon. Being exposed to his guidance will greatly benefit my entire carrier as an Analyst.

I pay my sincere regard to Dr. K. SREENIVASA RAO, Associate Professor, Head, and Department of OR & SQC, for his constant supports during the tenure this project.

I express my gratitude and indebted to Prof. C. UMA SHANKAR, Chairman, Board of Studies, Dept. of OR & SQC and Special Officer, S.K.U.P.G. Centre, Kurnool, for his heart felt blessings whole hearted cooperation, Never forgettable inspiration and timely help in all aspects.
I am extremely grateful to Senior Prof. A.A. CHARI, Dept. of OR & SQC, for his kind inspiration, Priceless Suggestions, Encouragement and fruitful discussions.

On this occasion I would like to specify on important person who helped me from beginning to completion of this work. He is Dr. Y. RAGHUNATHA REDDY, Faculty, Dept. of OR & SQC. He is my beloved friend. It is not a great Pleasure to me to say simple word, ‘thanks’ to him. We both shared the moments of different tastes on different occasions. This work attains a complete structure by directly and indirectly helps of this guy.

I am highly thankful to Mis. SRI LATHA, M.A, M.Phil., Lecturer in English, Vasavi Degree College, Kurnool, for her timely help in matters of grammatical ambiguity.

I am gratefully acknowledge my Parents and members of the family for their heartfelt blessings, kind inspiration and efforts. I am very grateful to my brother Sri. G.V.R. SAGAR, Asst. Prof., Dept. of ECE, G.Pulla reddy engineering college, Kurnool, for his constant encouragement and cooperation.

Last but not the least, I deeply indebted to a few persons who directly and indirectly discouraged me and tormented me in completing this thesis.

Above all, words can not express my sincere thanks to the almighty for showering countless blessings to me.

(G.Y. SAGAR)
