ACKNOWLEDGEMENT
ACKNOWLEDGEMENT

It has been a matter of great pleasure and privilege to have had the opportunity of working under the guidance of Dr. Sushila Srivastava, M.A., Ph.D., a prominent professor and Head of the Department of Child Development, Justice Basheer Ahmed Sayeed Women's College, Madras. The investigator wishes to express her deep gratitude to her guide Dr. Sushila Srivastava, for considerable advice, suggestions and encouragement that she has continuously given in every step during the course of the study.

I wish to express my deep sense of gratitude to Dr. Mohammed Mansoor Alam, Chairman and Professor Abdur Rahman, Co-ordinator Madras chapter, Institute of Objective Studies, New Delhi, for providing the financial assistance for the research work.

The investigator takes this opportunity to thank Mr. V.V. Iyer, of the Indian Statistical Institute for rendering his help and proper advice for statistical technique.

Special thanks are also due to Dr. Balaraman, Ph.D., Assistant Director, Department of Statistics, Government of Tamil Nadu and Dr. Kumaran, Department of Education, Madras University for their timely help.

The investigator is very much thankful to all the heads and members of various public and private institutions for giving
permission for the data collection.

I am also thankful to all my family members, specially my father, Dr. M.S. Dewan Muthu Mohammed, Ph.D., for their eminence support and co-operation.

Finally the investigator is indebted to those who served as the sample and to all her friends and well wishers for their kindness and co-operation.

December, 1988

Madras.
