ACKNOWLEDGEMENTS

I am privileged to place on record my deep debt of gratitude to my esteemed guide Dr. R. Muni Reddy, Lecturer, University College of Physical Education, Bangalore University, Bangalore for his constant encouragement, guidance and supervision, without which the study could not have been completed. I am highly indebted to my esteemed teacher and former guide Dr. M.A. Shakuntala, Ex-Principal, U.C.P.E., Bangalore University, Bangalore for providing me an opportunity to undertake this study and also for the guidance, illuminating advice and encouragement during the initial phases of this study.

I am immensely greatful to my esteemed teacher Shri. L.R. Vaidyanathan, Principal, U.C.P.E., Bangalore University, Bangalore for his timely valuable support and encouragement to complete this study successfully.

I owe my sincere thanks to my sportive Boss, Mr. M. P. Ganesh, Executive Director, Sports Authority of India, Netaji Subhas Southern Centre, Bangalore for permitting me to take up this course of study.

I am highly indebted to my esteemed teachers Dr. S.C.B. Rangan, Ex-Principal, and Dr. Prof. K.B. Chinnappa, former Dean and Ex-Principal, U.C.P.E., Bangalore University, fortheir valuable support and inspiring thoughts and talks throughout the course of the study.
ACKNOWLEDGEMENTS (Continued)

I express my deep sense of gratitude to Dr. Eshwarappa, Reader, Department of Geography, Bangalore University, Bangalore, for the valuable suggestions and encouragement and also for his helpful attitude in providing me all necessary micro information and literature associated with geography of Karnataka state.

I have benefitted greatly from critical brain storming discussions with my knowledgeable friend Mr. K.P. Manilal, J.S.O, Training Methods, SAI, Netaji Subhas Southern Centre, Bangalore, right from the conception of this study. A special word of thanks are due to him for fighting a noble battle for the improvement in organization and style of this thesis.

I am thankful to Mrs. Baby Jose, for her patience and concentration while making the computer data entry, analysis of data, and for the eye catching colorful graphics in a neat and tidy manner.

I am thankful to Mr. Saju Joseph, J.S.O, Training Methods, Dr. G.L. Khanna, S.O, Exercise Physiology and Dr. P. Majumdar, J.S.O, Exercise Physiology, SAI, Netaji Subhas Southern Centre, Bangalore, for their valuable knowledge and sharing moments in the process of the study. I am also thankful to Dr. H.S. Sodhi, S.O, National Institute of Sports, Patiala, for the help extended in the literature search.
ACKNOWLEDGEMENTS (Continued)

I am immensely grateful to Prof. P.O. Astrand, world renowned Exercise Physiologist from Spain, for his blessings and encouraging support by providing me with the latest literatures of European societies.

I express my deep sense of gratitude to the managements, Principals and headmasters of various Higher Primary, Higher secondary schools and Junior Colleges for providing me an opportunity and necessary facilities to carry out my investigation on the students of their institutions. My sincere thanks are due to the physical education teachers and subject teachers for their cooperation and assistance in carrying out my study. A special words of thanks are due to all the students of various institutions who acted as the subjects for the investigation and participated in the test items whole heartedly with bubbling interest.

I owe a special debt of gratitude to my friend Mr. Basavaraj Vastrad, Principal, Basaveshwara College of Physical Education, his staff and students for their cooperation and assistance in carrying out my study.

I am thankful to the Librarians and staff of SAI Library, Netaji Subhas Southern Centre, Bangalore; National Institute of Sports Library, Patiala; University Library, Bangalore; Central Public Library, Bangalore for their timely assistance in locating the treasure of knowledge.
ACKNOWLEDGEMENTS (Continued)

I am highly thankful to Shri. Mallari Rao, reader in English, Sheshadripuram College for his unreserved support and cooperation to complete this study. My thanks are due to Mr. Rudra Radhya, a young Physical Education Teacher, who helped me in the procurement, maintenance and transportation of the testing kit throughout the course of the study.

Last but not the least, I am unable to find adequate words to express my most sincere and heartfelt gratitude to my family members for their patience and understanding in tolerating my long and continued absence from home. Their unreserved support and blessings remained as a constant source of inspiration throughout the difficult days spent in completion of this thesis. My special thanks are due to my wife Lakshmi and loving children Srinidhi and Srikanth for boosting my morale to complete this venture successfully.

Y.S.L.
