## Chapter 1 – Introduction

1.1 Introduction                                                        | 1    |
1.2 What is a service?                                                 | 1    |
1.2.1 Intangibility                                                    | 2    |
1.2.2 Inseparability                                                  | 2    |
1.2.3 Heterogeneity                                                   | 3    |
1.2.4 Perishability                                                   | 3    |
1.3 Service quality                                                   | 3    |
1.4 The Services Marketing Mix                                         | 5    |
1.5 Background of the study                                           | 7    |
1.6 Applicability of service quality concept to Revenue Department     | 10   |
1.6.1 The challenges                                                  | 12   |
1.7 Study of Rajasthan along with Maharashtra                           | 14   |
1.8 Theoretical framework                                              | 15   |
1.9 Significance of the study                                          | 15   |
1.10 Training and Training Policy                                      | 17   |
1.11 Organization of the Thesis                                        | 17   |
**Chapter 2 – Literature Review and background**

2.1 Introduction

2.1.1 The Service Sector

2.1.1.1 Professional service

2.1.2 Society’s Perception about Service Firms

2.1.3 The Service Change models

2.2 Characteristics of Quality management in Public sector

2.3 The Customer

2.4 Customer Satisfaction

2.5 Theoretical framework

2.5.1 Service Quality Concept

2.5.2 The SERVQUAL model

2.6 SERVQUAL and Customer Satisfaction

2.7 Other models of Service Quality

2.8 Criticism of SERVQUAL Model

2.9 Major Debates in Service Quality Area

2.10 Service Quality related studies in Government Sectors

2.10.1 Quality Certifications in Government

2.11 Deming’s 14 points on Quality Management

2.12 Training and Service Quality

2.13 Study of Service Quality in This Research

2.14 Employee Stress

**Chapter 3 – Research Methodology**

3.1 Introduction

3.2 Need of the Study

3.3 Significance of the Study

3.4 Objectives of the Study

3.4.1 Objective 1

3.4.2 Objectives 2 and 3
3.4.3 Objectives 4, 5 and 6

3.5 Research Hypotheses

3.6 Research Design
  3.6.1 Type of Research

3.7 Survey Method

3.8 Designing of the Questionnaire
  3.8.1 Instrument Design
  3.8.2 Instrument Development
  3.8.3 Modifications in the SERVQUAL Questionnaire
  3.8.4 Design of the Questionnaire
    3.8.4.1 Questionnaire for Internal Customers
    3.8.4.2 Questionnaire for External Customers

3.9 Interviews
  3.9.1 Use of Semi-structured Group Interviews
  3.9.2 Justification for Use of Group Interviews
  3.9.3 Method of Interviewing
  3.9.4 Interviews of Internal Customers
  3.9.5 Interviews of External Customers
  3.9.6 Scheme of Recording the Responses
  3.9.7 Analysis of data of Group Interviews

3.10 Sample design
  3.10.1 Sampling technique
  3.10.2 Selection of Tahsil Offices

3.11 Sample Size

3.12 Method of data Collection
  3.12.1 data Collection Tools

3.13 The Pilot Test

3.14 Data Collection

3.15 data Processing

3.16 Analysis of data and Hypothesis testing
3.16.1 Pilot study 87
3.16.2 Final Study 88
3.17 Findings 89
3.18 Assumptions and Limitations 90
   3.18.1 Assumptions of the study 90
   3.18.2 Limitations of the Study 91

Chapter 4 – Data analysis and Findings- external Customers 93
4.1 Introduction 93
4.2 Findings of the data analysis 93
   4.2.1 External customers’ responses to the five dimensions of service quality from Maharashtra 93
   4.2.2 External customers’ responses to the five dimensions of service quality from Rajasthan 95
   4.2.3 Customer perception about availability of modern looking equipment in the Tahsil office 96
   4.2.4 Customer perceptions on whether the physical features of the Tahsil office are visually appealing 97
   4.2.5 Customer responses on availability of facilities like drinking water, toilets in the Tahsil office 98
   4.2.6 Customer responses on whether the employees of the Tahsil office are neat in their appearance 99
   4.2.7 Customer responses on availability of workspace to employees 100
   4.2.8 Customer responses on whether important information is displayed at prominent place in the Tahsil office 101
   4.2.9 Customer responses on whether the documents provided by the Tahsil office are neat and tidy 102
   4.2.10 Customer responses whether the Tahsil office provides services in the Specified Time Limit 103
   4.2.11 Customer responses on whether employees of the Tahsil office tell them exactly when services will be delivered 104
   4.2.12 Customer perceptions about prompt service delivery by employees 105
   4.2.13 Customer perception on insistence on error 106
free records by the Tahsil office
4.2.14 Customer opinion on whether employee giving equal treatment to all 107
4.2.15 Customer opinion whether employees are too busy to listen to them 108
4.2.16 Customer opinion on whether the employees behavior instills confidence in them 109
4.2.17 Customer opinion whether the employees are consistently courteous to them 110
4.2.18 Customer opinion on whether the employees are happy and tension free 111
4.2.19 Customer responses on whether employees of the Tahsil office understand their specific needs 112
4.2.20 Customer opinion on whether employees of the Tahsil office have knowledge answer their questions 113
4.2.21 Customer perception on employee knowledge of Acts and Rules 114
4.2.22 Customer opinion on whether employees of the Tahsil office provide them proper information on the new schemes, services 115
4.2.23 Customer opinion on whether employees are punctual and available during office time 116
4.2.24 Customer opinions regarding whether employees of the Tahsil office give them personal attention 117
4.2.25 Customer perception on employees’ ability to use computers 118
4.2.26 Customer satisfaction regarding quality of services of Tahsil offices from Maharashtra and Rajasthan 119
4.2.27 External customers’ opinion on the effect of employee training on service quality 120
4.2.28 Qualitative Data from Group Interviews 121

Chapter – 5 Data Analysis of External Customers
5.1 Introduction 124
5.2 Findings of the data analysis 125
5.2.1 Internal customers’ responses on availability of office 125
equipment like computer, Xerox, fax
5.2.2 internal customers’ responses on whether the office equipment is in working condition
5.2.3 Internal customers’ responses on availability services and equipments in time of need
5.2.4 Internal customers’ responses on timely availability of funds for equipment and stationery
5.2.5 Internal customers’ responses on whether physical appearance of the office is visually appealing
5.2.6 Internal customers’ response regarding whether facilities like toilets in the Tahsil office are satisfactory
5.2.7 Internal customers’ responses on availability of books on Acts and rules in the office
5.2.8 Responses of internal customers on whether sufficient staff is available in the office
5.2.9 Internal customers’ response on their ability to use modern technology
5.2.10 Internal customers’ response on recognition for good work
5.2.11 Opinion of internal customers regarding satisfaction with job
5.2.12 Internal customers’ opinion on whether people expect more work from them
5.2.13 Employee’ opinion on work related stress
5.2.14 Opinion of employees regarding training for stress management
5.2.15 Internal customers’ response on their technical knowledge
5.2.16 Internal customers’ experience on provision of information on various schemes
5.2.17 Internal customers’ opinion on whether proper training will enable employee to give better services
5.2.18 Expectation of the employees about initial training of newly employees staff
5.2.19 Internal customers’ response on whether training is given to newly recruited employees
5.2.20 Experience of employees regarding initial training provided to them on recruitment
5.2.21 Expectation of internal customers/ employees regarding training at regular intervals
Chapter – 10 Contribution to the Body of Knowledge, Limitations and Future Research Directions

10.1 Introduction 230
10.2 Contributions by the researcher 230
10.3 Implications of the study 234
10.4 Strengths and Limitations of this study 236

Annexure
Annexure A - English Questionnaire for Internal Customers 240
Annexure B - English Questionnaire for External Customers 241
Annexure C - SERVQUAL Dimensions External Questionnaire 242
Annexure D - SERVQUAL Dimensions Internal Questionnaire 243
Annexure E - Internal Customer Responses in Group Interviews 244
Annexure F - Administrative initiatives in Rajasthan 250
Annexure G – Photographs taken during data collection - Rajasthan 252

Appendices
Appendix 1 - National Training Policy of India 256
Appendix 2 - State Training Policy of Rajasthan 257
Appendix 3 - State Training Policy of Maharashtra 258
