ACKNOWLEDGEMENT

I acknowledge with deep sense of gratitude and owe to Dr. M. Purvachar, Head of the Department in Sociology and Social Work, Sahyadri Arts College, Shimoga – 577 203, without whose active excellent supervision, support and personal interest this study would not have been made successful.

I extend my deep sense of gratitude to Prof. Panchaksharaiah and Prof. A. Ramegowda for taking personal pain, care and interest to motivate me to complete this research work.

I am thankful to Dr. Chandrashekar, Professor of Sociology, B.H. Anjanappa, Sr. Lecturer in Sociology, for giving me some useful tips at the time of my research.

I am thankful to all the distinguished Kuvempu University officers of the academic section. I am thankful to Mr. R. Manjunath, FDA of the Department of Sociology for looking after my research related official work in a careful manner.

My thanks go to University Library and Department of Sociology and Social Work of Kuvempu University, Shimoga; State Central Library, Bangalore; Bangalore University Library; Library of Vocational Rehabilitation Centre for Handicapped, Bangalore; Association for People with Disabilities, NIMHANS Library, National Association for the Deaf and Mobility India Library for giving me the permission to use their library facilities.

I am indebted to the persons with all kinds of disabilities who not only answered the interview schedules honestly but also cooperated in the process of desired social discrimination and rehabilitation services in Karnataka state among the Persons with Disabilities.

I extend my most sincere thanks to different rehabilitation professionals/personnel working in rehabilitation and social work, sociology disciplines
for having agreed not only to respond enthusiastically but also to discuss various
effective methods. They also agreed to discuss the research design to see the desired
social discrimination and rehabilitation services available to the disabled persons who
have challenges in the present world.

I am thankful to VRC, Directorate of Welfare of Disabled, APD, NAB,
Association for the Mentally Challenged, Sumanhalli Society, Special Employment
Exchange for Physically Handicapped, Mobility India, Dr Chandra Shekar Institute for
Speech and Hearing, DDRC Tumkur, etc, colleagues and professionals and well
wishers in the field of vocational rehabilitation who helped me a lot in many other ways
to complete this research work.

I am thankful to Smt. Shylaja Purvachar, their son and daughter P. Vivasvath
Acharya and Gamanashree who gave encouragement in my research activity.

I am also thankful to my wife, Mrs. Mamatha Parameshwar, Special
Educator for Mentally Retarded children, who has been the constant source of
inspiration and her administrative assistance involved in research work. And I wish my
daughter in this auspicious occasion Kum. Tushaara Kanekanti, who brought grace
of God to fulfill this thesis to submit ultimately to the university,

I would like extend my thanks to CYBER DTP Centre, Medical Nagar,
Heggere, Tumkur for doing beautiful DTP and Binding work.
