ACKNOWLEDGEMENT

It would have been an aimless search in the multitude of uncertainties, if my research guide Dr. Mahendra D. Shirsat, who is a well-known Professor of Optoelectronic and sensor Research Laboratory, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, had not given me a proper direction to accomplish my research work. I deeply indebted to him for his keen interest, valuable guidance, strong motivation, constant encouragement and sympathetic consideration. He gave me the freedom to pursue an interdisciplinary research as well as trusted me often times more than myself and never let me get out of his office without a positive thought. I am fortunate to have had an opportunity to study under him. His presence in my life is very significant at times and will remain so throughout my life.

I am grateful to Prof. K. M. Jadhav, Head, Department of Physics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for providing research facility in the Department. Thanks are also due to other faculty of the Department of Physics, Prof S. H. Behere, Prof D. D. Dheshmukh, Dr. P. W. Khirade, Dr. V. V. Nawarkhele, Dr. S. S. Patil, Dr. R. P. Sharma, Dr. B. N. Dole and non-teaching staff of the Department of Physics, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad for their valuable support and constant encouragement.
I have no words to express my sincere thanks to Hon. Champalalji Gandhi (Vice-President), Hon. Ad. Rameshlalji Gandhi (Secretary), Hon. Vijaykumarji Chhajed (Treasurer), Hon. Satishshetji Gugale (Trustee), Hon. Sureshlalji Kucheriya (Trustee) and all the respected management committee members of Shri Tilok Jain Dnyan Prasarak Mandal, Pathardi, Dist. Ahmednagar for their kind permission and co-operation for doing this interdisciplinary research work leading towards Ph D degree.

I place on record my in-depth reverence and gratitude to Dr. S. B. Pawar (Principal), Miss. A. B. Pawase (Head Dept. of Physics), Shri. S. B. Kalokhe, Shri. A. B. Gambhire, Dr. J. D. Barshile, Shri. U. A. Kulkarni, Shri. Y. M. Ghodke, Shri. S. S. Sharma, Shri. R. B. Sharma and all teaching and non-teaching staff of Shri Anand College, Pathardi, Dist. Ahmednagar for their timely support and encouragement which has helped me to overcome various difficulties I have faced during this research work. I warmly thank to Shri. K. G. Gaikwad Lectures in English, Dadapatil Rajale College, Adinathnagar, Tal Pathardi, Dist. Ahmednagar and Shri. M. A. Shaikh, Lecture in English, Shri Anand College, Pathardi, Dist. Ahmednagar for their grammatical help.

I express my sincere thanks to Prof. R. Dhanasekaran, Prof. P. Ramasamy, of Crystal Growth Centre Anna University, Chennai and Dr. R. Bairava Ganesh of Anna University, Chennai for their great co-operation in terms of selection of the topic and collection of the references.
I wish to place on record my heartfelt gratefulness to **Dr. V. G. Dongre** Professor in Department of Chemistry, Mumbai University, Mumbai for his valuable suggestions in analysis of characterizations. I am extremely thankful to Mr. Pravin Karmuse and Mr. P. D. Ghugare of IPCA Limited Kandivali, Mumbai for their help in characterization. I express my sincere thanks to Prof C V Dharmadhikari Department of Physics, University of Pune, Shri. A. P. Gadgil and Shri. D. S. Shishupal, Department of Chemistry, University of Pune, for extending SEM, EDAX, UV-Visible and FTIR facility. I also express my thanks to Dr. Babu Varghese, SAIF, IIT, Chennai for extending facility of single crystal X-ray analysis and Prof. P. K. Das, Department of Inorganic and Physical Chemistry, I. I. Sc. Bangalore for providing SHG test facility.

I express my healthy thanks to my research colleagues Dr. D. J. Shirale, Dr. V. K. Gade, Dr. P. D. Gaikwad, Dr. H. J. Kharat, Dr. K. P. Kakde, Dr. P. A. Savale, Dr. S. S. Hussaini, Mr. Kunal Datta and Mr. Prasanta Ghosh for their incessant support in all walks of the work and continuous encouragement.

I would like to thank my parents **Sau. Shankutala** and **Shri. Ramesh Dhumane** for their encouragement, support and motivation during this work. I shall be failing in my duty if I forget to express a word of appreciation to my beloved brothers **Milind** and **Sachin**, sisters in law **Sau. Vandana, Sau. Pravina** and nephews **Akshay, Pranil, Soham** and
niece Samruddhi for their encouragement, moral support and motivation. I am most grateful to my cousin Tanmay Shete for his support and cooperation.

Finally, I owe a great deal to my affectionate and esteemed wife Sau. Rupali who has supported me all times. Without her support it would not have been possible for me to complete this work. I can never express my gratitude to my lovingly daughters “Mrunmayee and Aarya” who always gratify me.

Nitin R. Dhumane
