Acknowledgements

It gives me great pleasure to acknowledge all the persons who came in contact in the way with helping hands, during my research tenure.

First, I must thank God for everything. I must acknowledge my family for all of the love, support, and encouragement they have given me throughout my life, my family has sacrificed in many ways so that I could have the opportunity to study.

I would like to first of all express my gratitude to my advisor Dr. K.R. Venugopala Reddy Reader, Department of P.G. Studies and Research in Industrial Chemistry School of Chemical Sciences, Kuvempu University, Jnana Sahyadri, Shankaraghatta - 577 451 for his guidance and support. I am grateful for the opportunity that he has given to work with him and it is with high regards that I thank for his inspiring guidance, endless encouragement and constructive criticism during my stay in his group.

I would like to thank my Co-advisor Dr. H.S. Bhojya Naik for his excitement for chemistry has been a constant inspiration for me. He has helped me to develop a right attitude to research and at the same time he has helped me to grow up as thinking individual. My associations with him during the entire period of my stay in the campus will be everlasting in my life.

I would like to thank Prof. B.S. Sherigara, Honourable Vice- Chancellor, Kuvempu University, for constant support during my research work.

It is my pleasant duties to express my grateful thanks to Prof. K. Vasantha Kumar Pai, Department of Industrial Chemistry Kuvempu University, for his kind cooperation during my research work.
I also thank all the faculty members Department of Industrial Chemistry, and Chemistry Kuvempu University, Prof. P. Vasudeva Nayak, Prof. J. Khashvayya, Dr. H.M. Vagdevi, Dr. Y. D. Bodke, Dr. B.E. Kumara Swamy, Prof. V. P. Vaidya, Prof. T. V. Venkatesha, Dr. Y. Arthoba Naik.

I take this opportunity to convey my heartfelt thanks warm regards to Dr. L.R. Naik Reader Department of Physics Karnataka University Dharwad and Mr. Anil B. Naik research scholar Department of Physics Karnataka University Dharwad for his constant help in IR, $^1$H-NMR and Florescence spectroscopic studies and also personal care.

I am very much thankful to Prof Nandebewoor Chairman, Dept of Chemistry Karnataka University Dharwad, Dr. I. M. Khazi, Prof. V.K.R Ravenkare all teaching and Research Scholars Dr. Ravi Lamani, Mr. Naveen Kulkarni, Gurunatha, Shankar and Shaker Lamani Karnataka University Dharwad, for their constant help and encouragement during the course of my research work.

I am very much thankful to Mr. Shridhra Advinus Therapeutics Pvt. Ltd, 21 & 22, Peenya II phase, Bangalore-560 058. For the all the mass spectral studies and encouragement during the course of my research work.

Am very much thankful to Gouthamchandra and Dr. Raja Naik Department of Biotechnology Kuvempu University for the all the biological activity and encouragement during the course of my research work.

Am very much thankful to Mr. Umesh, Research Scholar Dept. of Industrial Chemistry for the all $^1$NMR and Mass spectra spectral studies and encouragement during the course of my research work.

I express my thanks to Mr. K.M. Vinay, Lecturer, Department of P.G. Studies and Research in English, Kuvempu University for proof reading the research papers.
I would also like to thank all of my research colleagues and friends of Industrial Chemistry, Chemistry and Biochemistry Departments of Kuvempu University, Savyasachi A. J, Mr. Rajesh, Dr. S. Ramesh, Dr. M.C. Prabhakar, M.N.K. Harish, Dr. H.R. Mallikarjuna, Mr. Prakash Naik, H.R, Mr. Venkataki, Mr. Pradeep, Mr. Chidanand, Mr. Sridhar, Mr. Yeshwanth, Mr. H.R. Mallikarjuna, Mr. B.M. Basavaraju, Mr. Krishna. L. P, Dr. T.H. Suresh Kumara, Mr. Sudhakar, Mr. Prabhakar Varma, Dr. Raghuvarma, Dr. T.R. Ravikumar Naik, Dr. Gopala Krishna, Mr. Manohar, Mr. Aravinda T, Mr. Vijay Kumar, Mr. Vinay Kumar, Mr. Sharth, Mr. Prashanth, Smt. C.N. Sudhamani, Dr. Vijay Kumar, Mr. Musturappa, Mr. Vinod, Mr. Raghuvarma Naik, Mr. Thippeswamy, Dr. Chandra Shekhar, Dr. Niranjan, Mr. Jayaraj, Mr. Sharth Shanker, Mr. Kalachari, Mr. Chandu, Miss. Girija, Mr. Manjunatha. Mr. Basavanna. S. R. Raghu, Miss. Sheela, Vishwanath. R. and also thanks to my Project students Pradeep, Anand, Nithin, Sahana, Smitha, Muthanjayachari, Naveen, Achuthanad, kenchappa for their encouragement.

I express my thanks to the non-teaching staff of Industrial Chemistry and Chemistry Departments, Kuvempu University for their kind co-operation.

My grateful thanks Mr. Dhanshing Naik and Mrs. Neelavathi Dhanshing Naik for personal care and encouragement during the course of my research work.

I am lovingly acknowledge the moral support of my parents deserve special mention for their inseparable support and prayers. My father Shri. Somappa Kattimani and my mother Smt. Chandibai Kattimani my beloved brother Ganesh Kattimani who put the fundamental of my learning character, showing me the joy of intellectual pursuit ever since I was a child. Although they may not have shared in my foundness for science, but supported me in everything I have done, without which I would not have been where I am presently.
I am lovingly grateful to my beloved brothers Suresh, Krishna, and Sister Sangeetha for their generous support and constant encouragement throughout my research work. I would like to extend my sincerest gratitude to them, who made numerous sacrifices for me to join Ph. D and are always my biggest fans. They are the light of my life and will always remain my proudest accomplishment.

Finally, I place on record my thanks to S.G.S computers and Ganga book binders for their neat work in preparing this thesis.

Devappa S. Lamani
